Sub: Rectification and redeclaration of M. Sc Electronic Science Part-I Result, Apr- 2020 ledger for internal communication

Respected Madam/Sir,

This is to inform you that M. Sc Electronic Science Part-I Result April-2020, ledger for internal communication of Centre 0069:A.K.Islam's Poona College of Arts, Science & Commerce, Pune is declared on 20 th July 2020. However, it has been observed that there are absentees marked in the Departmental Theory Course namely ELDT124: Fundamentals and Application of AVR Microcontroller (Code:92215) thought out the result of all total 8 Students.

I would like to invite your kind attention to above offer said the University Circular, clearly mentioned regarding entries of only the available internal marks of all theory and practical courses including external marks of practical courses too. But it was not mentioned anything about theory courses, so we have not entered the external marks for the said Departmental Theory Paper as it was not conducted.

Same is the case even for M. Sc Part-II. We have not entered the external marks for all three departmental theory papers that is ELDT04-Mechatronics (code: 92405), ELDT06 - Optoelectronics and fiber optic communication (code: 92407) and ELDT13- Computational Method for electronics (code: 92414).

I therefore request you do the necessary rectification and redeclare the result.

Thanking you and warm regards,

Dr. Aftab Anwar Shaikh
