The Department of Chemistry, Poona College, Pune and Unique Med Chem Lab. have annexed the following pertaining to the teaching & academic programmes.

The Department of Chemistry, Poona College of Arts, Science and Commerce and Unique Med Chem Lab. have mutually agreed to sign this annexure to MOU.

1. The annexure to the MOU supersedes all previous correspondence and discussion.
2. Broad objectives:
 - i) Use and share libraries, database, documentation and instrumental and infrastructural facilities.
 - ii) Exchange of teachers and students.
Conducting joint workshops/seminars/research projects.
 - iii) Exchange of visits of faculty members for lectures and research activities.
 - iv) Execution of curriculum and research activities in the area of Pure and Applied sciences.

ROLE AND RESPONSIBILITIES OF THE INSTITUTES:

1. The institutes shall jointly undertake academic and research programmes that are agreed upon by and between the institutes. Specific research topics are to be selected jointly by the faculties of both the institutes.
2. The institutes shall provide financial and logistic support for conduct of joint projects.
3. Visiting staff be provided the facilities of lodging boarding by the host institute.
4. Joint working group shall submit reports periodically to principal /Head of concern Department.
5. Documents, records for the joint seminars, projects, workshops, etc are to be maintained jointly. Costs and be benefits are to be shared equally by the institutes.
6. Copies of relevant, publications, projects are to be made available to each others. Output of such joint works is to be published under joint authorship and joint publications.
7. The institute shall meet at least once a year to identify and develop plan of activities and to determine priorities from time to time.
8. Specific mechanisms for developing or managing activities shall be decided on case-to-case basis.
9. Both the institutes shall build their roles in implementing the joint project.
10. Both the institutes shall co-operate with each other for generating funds for joint proposal, which are to be submitted to outside funding agencies.
11. Funds raised for specific purpose are to be managed and expended to the mutual satisfaction of both the institutes. In any case; no institute shall hold the other institutes liable for funds.
12. Any amendment to this annexure shall be made after consent in writing.

CONFIDENTIALITY CLAUSES

Academic exchange and co-operative shall be worked out by both the institutes, with their mutual interest and overall objectives of this programme. Information, Confidentiality or result of joint efforts shall be shared by both the institutes. Confidentiality shall be maintained by both the institutes in order to safeguard mutual interest.

MONITERING GROUP:

A Group, establishment at both the institutes, consisting of the following members, shall manage and monitor the projects undertaken jointly.

- a) Department of Chemistry Poona College of Arts, Science and Commerce, Pune.
Hon'ble Principal
Head Department of Chemistry
- b) Managing Director, Unique Med Chem Laboratories and Department of Pharmaceutical Sciences, School of Health Science, University of KwaZulu-Natal, Westville, Durban, South Africa

The monitoring group shall have joint meeting at least twice a year alternatively in each institution.

FINANCIAL MATTERS:

1. The requirement of funds needed for the joint project, shall be worked out jointly by both the institution.
2. No monetary charges are to be demanded from each other by the institute for the use of technology, clerical, work of their own used for teaching, traing, Research& Development.
3. The monetary matters are to be determined by both the institutes with mutual consent and co operative

NON-EXCLUCIVE NATURE OF THIS MOU:

The MOU between Department of Chemistry, Poona College, Pune and Unique Med Chem Laboratories and Department of Pharmaceutical Sciences, School of Health Science, University of KwaZulu-Natal, Westville, Durban, South Africa is based on the principle of co-operative and mutual interest. No institute shall come in the way of either partner with third party. In every case, confidentiality clause shall be given due regard.

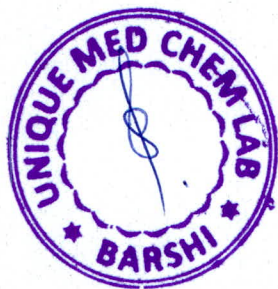

In witness whereof, both the institution have consented and executed this Annexure to the MoU through their authorized representatives.

NATIONAL CONFERENCE ADVANCES IN ORGANIC CHEMISTRY (February 5-6, 2016)

Department of Chemistry (post graduate and Research Centre) of Poona College of Arts, Science & Commerce Camp Pune Organized Two Days National Conference "Advances In Organic Chemistry" Sponsored by Board Of College And University Development (BCUD), Savitribai Phule Pune University. Mr. Iqbal N. Shaikh was a conference coordinator. 90 participant attended conference.

Dr. Ahmed Kamal (Outstanding Scientist, IICT Hyderabad) was Chief Guest. Dr. Dilip D. Dhavale, Dr. Prakash Wadgaonkar, Dr. Khalil Shaikh, Dr. Ashif Shaikh, Dr. Faazil Shaikh, Dr. Mahidansha Shaikh, CMD, Unique Med Chem Laboratories gave the invited talks. The conference had covered various issues related to Organic Chemistry. AOC-2016 is devoted to the advancement of Organic Chemistry. The conference sought research papers in area of interest viz. Organic Chemistry/Asymmetric synthesis/Drug synthesis etc.

Principal Dr. M. Rafique Sarkhawas, Vice-Principal and faculties from Chemistry Department graced the function with their presence.

About the College

The Poona College of Arts, Science & Commerce was established in the year 1970 by 'Yateemkhana and Madrasa Anjuman Khairul Islam', Mumbai, a Philanthropic Charitable Trust dedicated to the noble cause of the orphans and the deprived. Situated prominently in the heart of Pune Camp, it has brought about a revolutionary change in the region's educational scenario, diversified in leaps and bounds and has carved a niche for itself as a celebrated seat of learning. This was humbly acknowledged by the National Assessment and Accreditation Council (NAAC) Bangalore in the year 2004 which awarded it with the Prestigious 'A' grade. On the trail of continued academic excellence, the college got reaccredited by NAAC in September 2015 thereby validating its credentials.

The College is a recognized Research Centre of the Savitribai Phule Pune University in Chemistry, Commerce, Economics and with full-fledged degree courses and Postgraduate Centers in Organic Chemistry, Computer Science, Electronics, Zoology, Economics, English, Urdu and Commerce. Apart from this, it also offers professional courses of B.B.A, B.C.A, B.Sc.(Computer Science) and M.Sc. (Computer Science). Gradually it has expanded on a national as well as global scale with student enrollment exceeding 6000 every year and has become a favoured destination for education seekers from all Indian states particularly the North-East and from over 15 countries abroad. The College prides itself by possessing a rare distinction of having a highly qualified, dedicated and enthusiastic staff with doctorates constituting a half while a quarter as M.Phil. qualified.

About the Department

The Department of Chemistry was established in the year 1970 and is one of the major departments in the college having well equipped laboratories. By considering the global need of the pharma industry, college have started the post-graduate course in Organic Chemistry in the year 1995. The department is also a recognized center of Savitribai Phule Pune University (formerly University of Pune) for pursuing M.Phil and Ph.D. degree in Chemistry. In addition to this the department conducts various certificate courses like Certificate course in drug designing through computers, Certificate course in Polymer Technology, Certificate course in soaps and detergents etc. The faculty of the department is competent in the teaching as well as in research. Funding for the research in the department is generated through Major and Minor research projects from various national funding agencies like UGC, DST, MoEF, etc. and also from the BCUD, SP Pune University. The faculty of the department is publishing their research publications in the National, International journals and in proceedings of the conferences regularly. Every Post graduate students is encouraged for research by giving the small projects in collaboration with National Chemical Laboratory, Lupin Research Park, Auro Industries, Sudarshan Chemicals etc.

About the Conference

This Conference will cover various issues related to Organic Chemistry. AOC - 2016 is devoted to the advancement of Organic Chemistry. The conference is soliciting research papers in areas of interest such as Organic Synthesis / Asymmetric Synthesis / Drug Synthesis; Natural Products Chemistry; Heterocyclic Chemistry; Organometallic Chemistry; Bioorganic and Medicinal Chemistry; Organic Photochemistry; Theoretical Organic Chemistry; Solid-state Organic Chemistry; Physical Organic Chemistry; Metal, Organic and Enzyme Catalysis; Organic Chemical Spectroscopic Analysis; Novel Organic Materials (Design, Synthesis, Characterization); Organic Materials for Clean Energy Production and Storage; Organic Sensors towards Bio-medics etc.

Objectives of the Conference

AOC - 2016 will be a valuable and important platform for inspiring national and interdisciplinary exchange at the forefront of Organic Chemistry. The Conference will bring together academicians, chemists and bio-medical scientists from all over India. It dedicates to creating a stage for exchanging the latest research results and sharing the advanced research methods. This conference will also provide an interactive platform for young and established organic chemists in academia as well as industry.

Submission of Abstract for Oral / Poster Presentation

Active participation in scientific sessions covering the topic of the conference is welcome. Authors are requested to submit the abstract (not more than 250 words) of the paper intended for the presentation. The abstract of the paper should be prepared using MS word (Paper size A-4, Font: Times New Roman, Font size: 12 & line spacing 1.5) and send to the Coordinator of the Conference by email as a file attachment to: chemconfpc@gmail.com latest by **31st January 2016**. The acceptance of the abstract will be intimated through e-mail before **1st February 2016**. Please note the abstracts of those authors who paid the registration fee before **1st February 2016** can be included in the **proceeding book bearing ISBN number**. For poster presentation 1mx1m space will be provided at the conference venue.

Registration

Academics / Industry delegate: ₹ 1000/-
Research Scholar and Student: ₹ 500/-
Registration includes conference kit, breakfast, tea, lunch etc.

Payment Mode

Participants of the conference are required to register themselves by filling in the enclosed registration form. The registration fee is to be sent in the form of cash / demand draft in favour of 'The Principal, Poona College' payable at Pune. If required, xerox copy of the proforma may be used. The registration form should be filled up and sent along with cash / demand draft on or before 1st February 2016.
