Department of Physics

Invited Lecture on “Python for Scientific Computing”

Department of Physics organized invited lecture on “Python for Scientific Computing” on 22nd December 2018 for the students of F.Y., S.Y. and T.Y. B.Sc. Physics. Mr. Imran Qureshi of Department of Computer Science, Poona College, delivered the lecture. In the lecture the importance and use of Python programming language in scientific computing was discussed in detail. The lecture was very helpful to students and faculty members present in the talk. Total 20 students and faculty members of the Physics Department attended the talk.

Guest Mr. Imran Qureshi is taking lecture on Python for scientific computing

Prof. Nehal Ahmed, HOD Physics is felicitating Mr. Imran Qureshi

Invited Talk on “Introduction to Science at Nano Technology”

Department of Physics organized an invited scientific talk on “Introduction to Science at Nano Technology” on 14th December 2017 for the students of SY and TY B.Sc. Physics. Dr. Arif Shaikh from Department of Nano-Science and Nanotechnology, Shivaji University Kolhapur was invited as the guest speaker. The aim of this lecture was to motivate the students about scientific research and to understand nanoscience. The lecture was interactive and students learned a lot through PowerPoint presentation and informative videos on nanoscience. The lecture was followed by a question answer session. Total 27 students attended the program.

Guest, Dr. Arif Shaikh is delivering lecture to the students

Prof. Z. D. Khan, HOD Physics and other faculty members are felicitating Dr. Arif Sheikh

Department of English

Guidance talk on “Career Opportunities In English Language And Literature”

Department of English organized a guidance talk on “Career Opportunities in English Language and Literature” on 25th March 2019. The guidance talk was organized with an objective to acquaint the students with the career opportunities after BA and MA English and to get the students acquainted with the various useful educational websites and applications on their smart phones. Dr. Shweta Gupta was invited to deliver the guidance talk on the aforementioned topic. Total 35 students attended this program.

Dr. Shweta Gupta is giving the talk on “Career Opportunities in English Language and Literature”

Dr. Shweta Gupta is felicitated by Prof. Asif.

Guidance Talk on “How To Study For Exams”

Department of English had organized a guidance talk on 'How to Study for Exams' on 20th of December, 2017 for the students of FYBA and TYBA. The resource person for this activity was Dr. Iliyas Sayyed, Assistant Professor in Botany. The program was coordinated by Dr. Ashwini Purude. The students were first explained about the importance of mental and physical fitness. Dr. Sayyed explained how to remain physically fit for facing the examinations. He elaborated on various techniques of studying and how to memorize maximum data in a short span of time. He also gave very useful tips on how to write examination papers. Overall the workshop was informative and beneficial for the students.

Dr. Iliyas Sayyed is delivering the talk on ‘How to Study for Exams’

Department of Geology

Guest lecture on “Gemstones and Career Opportunities in Gemology”

The Department of Geology organized a guest lecture on “Gemstones and Career Opportunities in Gemology” on 11th January 2017 for the students of F.Y., S.Y. and T.Y.B.Sc. Geology. Dr. Jayshree Panjkar, Chief Mentor & CEO of Panjkar Gem Research & Tech Institute, Pune was invited as guest speaker. She explained the history of Gemology, characteristic of Gemstones and different methodologies involved in Gemstone processing. Prof. K. F. Karachiwala coordinated the program. The program was attended by 90 students.

Dr. M. R. G. Sayyed is giving the welcome speech and introducing the Guest

Students are listening to the talk delivered by Dr. Jayshree Panjkar

Guest lecture on “Latest Technology used in the field of Geosciences”

The Department of Geology organized a guest lecture on “Latest Technology used in the field of Geosciences” on 26th August 2017 in Geology Department Laboratory. Mr. Khalid Karajagi, Director of the firm “EduCAVE... Path to Success” was the guest speaker. He discussed the current scenario of Oil Industry and the software used by Geologists in Oil Industry. He further gave tips for successful interview. He gave the student the opportunity to attend two weeks courses in LWD and MWD at his Firm and assured help in getting placement.

Mr. Khalid Karajagi is delivering the talk

Students are interacting with Mr. Khalid Karajagi during the talk

Department of Mathematics

Guest lecture on “Applications of Mathematical Software tools in various field of science and engineering”

The Department of Mathematics organized a guest lecture on “Applications of Mathematical Software tools in various field of science and engineering” on 13th September 2017 for the students of FY, SY and TY B.Sc. Mathematics. Mr. Varun Sakharani, Research Fellow in Physical Chemistry, University of California, U.S.A and prominent alumina of this college was the guest speaker. He explained the use of different mathematical software such as MATLAB, Sci-Lab, Mathematica used in applied mathematics, stochastic process, differential equations, theory of relativity, fluid mechanics etc. Total 45 students attended the lecture and benefitted from it.

Mr. Amjad Shaikh is introducing the guest of honour Mr. Varun Sakharani

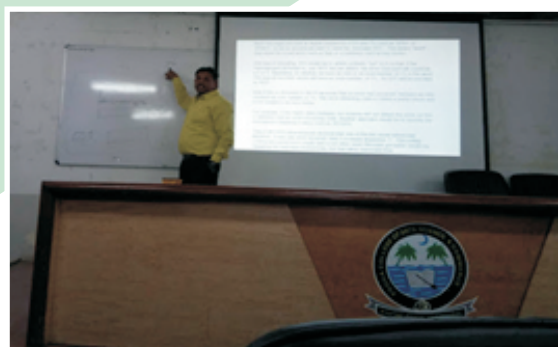

Mr. Varun Sakharani is delivering Lecture

Guest lecture on “Algebra and its Application”

The Department of Mathematics organized a guest lecture on “Algebra and its Application” on 24th January 2018 for the students of FY, SY and TY B.Sc. Mathematics in the Conference Hall. Dr. Vikas Jadhav, Assistant Professor at Department of Mathematics, Nawrosjee Wadia College, Pune was invited as guest speaker. Dr. Vikas Jadhav highlighted the applications of linear algebra to real life. The ICT based lecture was attractive, knowledgeable and informative. Total 88 students attended the lecture. The program was coordinated by Mr. Akhlaque Ahmed.

Mrs. Atiya Khan (H.O.D) is felicitating Dr. Vikas Jadhav.

Dr. Vikas Jadhav is delivering the lecture

Department of Zoology

Expert talk on 'Freshwater Zoology'

The Department of Zoology organized an expert talk on 'Freshwater Zoology' for the Undergraduate & Post-graduate students of Zoology on 16th October 2019. The objective of organizing this talk was to introduce the freshwater zooplankton diversity & taxonomy and the significance of conservation of freshwater ecosystem to the students. Dr. Sameer M. Padhye (Postdoctoral Researcher) from Department of Biology, Katholieke Universiteit Leuven – Belgium was invited as resource person. He motivated the students to pursue a career as a 'Researcher' in the field of freshwater zoology and provided information about the career opportunities & avenues available in this field. Fifty eight (58) students participated in this talk.

Expert Talk on ‘Emerging Concepts in Genetics and its Applications’

The Department of Zoology organized an Expert Talk on “Emerging Concepts in Genetics and its Applications” on 15th September, 2018 for the students of M.Sc. Zoology. Mr. Mohd. Owais Ansari (CSIR-JRF, ICMR-JRF, IIT-GATE) Research Scholar, Section of Genetics, Department of Zoology, AMU, Aligarh) was the guest speaker. He discussed the current trends in genetics. He elaborated the applications of genetics and career prospects in this field. Besides this, Mr. Ansari also shared some tricks to crack SET/NET/JRF examinations.

Principal Dr. Aftab Anwar Shaikh is felicitating Mr. Mohd. Owais Ansari

Mr. Mohd. Owais Ansari is interacting with students and faculty members.

Expert talk on “Career in Clinical Trial Data Analytics”

The Department of Zoology organized expert talk on "Career in Clinical Trial Data Analytics" on 31st August 2018 for the students of T.Y.B.Sc. and M.Sc. Zoology. Mr. Peyush Rajput, Manager at Cytel ClipLab and Miss. Gayatri Shardul, Team Lead Officer at Cytel ClipLab were the guest speakers. The experts introduced various opportunities in Clinical Trial Data Analytics. They motivated the students to choose career in the above field. The program was attended by 70 students of T.Y.B.Sc. and M.Sc. Zoology. The program was coordinated by Mrs. Rukhsar Shaikh and Ms. Anjum Pathan.

Dr. Mujeeb Shaikh is felicitating the experts from Cytel ClipLab

Department of BBA-CA

Industrial Experts talk on “Software Test Cases and Automation Software Testing Tools”

The Department of B.B.A. (Computer Application) organized an Industrial Experts talk on 26th February 2019 at M6 class of PIMSE building for the students of TY BBA(CA). Mr. Jayesh Igale, Practice Head –Testing at SEED Infotech Ltd. was invited as guest speaker. The speaker explained the role of test engineer in various stages of software testing. Students learnt about various web based testing tools. Students also learnt the open source Selenium testing tool which is used for automating web applications. The program was coordinated by Ms. Shabana Mulla.

**Ms. Reshma Patil is felicitating
Mr. Jayesh Igale**

**Mr. Jayesh Igale is delivering
the lecture**

Guest Lecture on “Applications of Object Oriented Concepts”

The Department of BBA organized a Guest Lecture on “Applications of Object Oriented Concepts” for the students of SYBBA(CA) and TYBCA on 17th February 2017. Mr. Yogesh Dhandekar from SEED InfoTech Ltd. was invited as guest speaker. He discussed the concepts of Object oriented programming and its use to solve real problems. He further shared his experience in IT sector and guided the students about different opportunities in this sector.

**Mr. Yogesh Dhandekar is interacting with the
faculty members after the talk**

Industrial Experts talk on “Recent Trends in IT”

The Department of B.B.A. (Computer Application) organized an Industrial Experts talk on "Recent Trends in IT" for students of B.B.A.(Computer Application) and M.Sc./B.Sc.(Computer Science) on 20th December 2018. Eminent International Speakers and Poona College Alumni Mr. [Karan Kunwar](#) , IT Consultant at Minktek, Singapore & Sharukh Khan , Head , Product and service delivery office, Coreflex Solutions Inc., Pune were invited as guest speakers. Around 150 students along with the faculty members of B.B.A.(CA) and B.Sc.(CS) attended the session. Principal Dr. Aftab Anwar Shaikh addressed the students and motivated them to have better future in their upcoming career.

Dr. Aftab Anwar Shaikh is presenting memento to the Guest
