## Report on Induction Program Conducted for FYBSc Students 2019-20

The program was inaugurated by Mr. Iqbal N. Shaikh, Vice Principal & Head, Department of Chemistry in presence of senior faculty members of science faculty. In his inaugural address, Mr. Iqbal N. Shaikh explained the students the idea behind organizing the Induction Program by University Grant Commission.

At the beginning of every academic year, the newly admitted students are given orientation programs to create awareness on academic and ethical conduct during his / her tenure in College. Awareness programmes are conducted to orient the students on the rules and regulations and the code of conduct that govern them during the course of study at College.

Mr. Irfan Shaikh, Associate Professor, Dept of Geology, discussed about the general discipline, rules & regulations, scholarship program, examination pattern as per the revised Choice Based Credit System Pattern and responsibility of the students to develop a new world, full of strengths and possibilities. Dr. Sajid Hundekar, Associate Professor, Dept. of Geology, enlightened the students with aim, objectives and activities undertaken by NCC Unit of Poona College.

It was followed by the talk delivered by Dr. Mohammed Zubair, Librarian Poona College in which he explored his organization of books and motivated the students to utilize the collection of books/articles/journals and online softwares available. In continuation to this, Dr. Baba Shaikh, Assistant Professor, Dept. of Hindi discussed about Students Welfare Schemes and activities conducted at Poona College by his unit.

Dr. Afreen Abrar Ahmed, Assistant Professor, NSS Program Officer, enlightened the students with aim, objectives and activities undertaken by NSS Unit of Poona College. The program was concluded with vote of thanks by Dr. Parvez Shaikh, Assistant Professor, Dept. of Physics.

**Mr. Mukhtar Shaikh spelled out the avenues and advantages of NCC**

## Induction Program for MSc I Students

An induction program for the students of MSc Part I was organized by Dept. of Chemistry on September 3, 2018. Department used to organize such programs to develop the scientific temper amongst the students & to make them aware of the latest developments in the field of chemical sciences. In the context of this, Dr. S.P. Chavan, Senior Scientist & Head, Division of Organic Chemistry, National Chemical Laboratory [NCL], Pune was invited as the chief guest of the program. He delivered his talk on "Development of Custom Designed Methodologies in Research". After his talk, he interacted with the students and discussed various aspects of chemistry, satisfied the students with his wise remarks for their concerns in the field of chemistry. He encouraged students to opt their career in research & offered the deserving students for research projects in his laboratory.

At the beginning of every academic year, the newly admitted students are given orientation programs to create awareness on academic and ethical conduct during his / her tenure in College.

Awareness programmes are conducted to orient the students on the rules and regulations and the code of conduct that govern them during the course of study at College.

introducing chief guest of the program  
Dr. S.P. Chavan,

## FYBA Induction Programme
