Note of Appreciation

We at green thumb would like to place on record the appreciation for the staff and students of Poona College of Arts Science and Commerce, Camp, Pune for assisting us in pursuing our campaign of 'EACH ONE, PLANT ONE'. The Annual Tree Plantation drive taken up by the green army of Poona College has helped us to increase our tree plantation count by more than 5000. Almost 90% of the saplings planted are now blooming and growing day by day under the care of our local attendants.

It is remarkable to see these young boys and girls of Poona College, who otherwise are engrossed in their tech-savvy world, to come forth for this noble cause of tree plantation. They displayed a sense of responsibility in giving back to Mother Nature and worked hard in teams to complete the Plantation drive. We hope that this activity continues to make a visible change.

Lt. Colonel Suresh Patil
Executive Trustee
Green Thumb

Academic Year 2019-20

**“Tree Plantation Programme
at Khadakwasla, Khanapur, Pune in collaboration
with Green Thumb N.G.O”**

Under the novel guidance, motivation and support of our Principal Dr.Aftab Anwar Shaikh and Vice Principal Mr. Iqbal Shaikh continuous in third year a mass level Tree Plantation Programme with collaboration of Green thumb N.G.O was organized at Khadakwasla, Khanapur, Pune during 28th, January to 12th February, 2020 for the students of Second Year B.A, B.Com, B.Sc and B.Sc Computer Science. As per the schedule about 900 students from different faculties along with staff members visited the said place.

The founder of NGO, Colonel Suresh Patil and Mr. Thorat gave information about different activities of NGO to our students. The members of NGO delivered the lectures on various topics related to sustainable development, water conservation, role of trees for water and soil conservation. Students were inspired by work of NGO and enthusiastically involved in the tree plantation, soil preparations, watering to plants and cleaning activities at the site of Khadakwasla Khanapur, Pune. Our students worked there along with NGO Green Thumb and planted more than 1000 various kinds of plants this year. Students also helped them to make soil suitable for plantation. Plantation will help in reducing soil erosion, improve the rainfall and reduce the air pollution. This healthy practice done by our college students and staff members along with GREEN THUMB N.G.O. for conservation of nature.

Academic Year 2017-18

**“Tree Plantation Programme
at Khadakwasla, Khanapur, Pune in collaboration
with Green Thumb N.G.O”**

Under the novel guidance of our Principal Dr.Aftab Anwar Shaikh and Vice Principal Mr. Iqbal Shaikh under the Environmental Awareness Course a mass level Tree Plantation Programme with collaboration of Green thumb N.G.O was organised at Khadakwasla, Khanapur, Pune during 12th February to 24th February,2018 for the students of S.Y. B.A, B.Com, B.Sc and B.Sc Computer Science. As per the schedule about 876 students from different faculties along with staff members visited the said place.

The founder of NGO, Colonel Suresh Patil gave information about different activities of NGO. The NGO doing important work related Sustainable development as Afforestation of about 44 kilometre land area around Khadakwasla dam. For Water conservation about 15 lakh trucks of silt has been removed from the water body in almost one year making space for more water to be stored in the dam. During the activity members of NGO delivered the lectures on sustainable development, water conservation and its importance for mankind to the students.

Our students worked their along with NGO and planted more than 1200 Silver Oak plants this year. Students also helped them to made soil suitable for plantation. Plantation will help in reducing soil erosion, improve the rainfall and reduce the air pollution. This is the best practice done by our college students for conservation of nature under this course.
