DESCRIPTIVE REPORT ON

PARTICIPATION IN GUINNESS WORLD RECORDS FOR LARGEST DISTRIBUTION OF SAPLINGS, SPPU

A day that will be remembered & celebrated always: 23rd June, 2019! A historic event at **Savitribai Phule Pune University (SPPU)** when it made entry in the Guinness World Records for largest distribution of saplings! As many as 16,661 neem saplings were distributed to students for planting it on the route of Wari procession, along Pune-Pandharpur. The initiative marked the motto of *Swachh Wari, Swastha (health) Wari, Nirmal Wari and Harith (green) Wari*.

AKI's Poona College of Arts, Science and Commerce participated in this great event. NSS student volunteers from the junior and senior college gathered at the SPPU campus with great enthusiasm along with participants from 350 colleges affiliated to SPPU. At least a dozen entry points were formed from where the students could enter the premises and be counted with the help of the bar-coded wristband system. There was a LED screen to display every student's number. Each student was given a sapling at every entry to the university premises. Students wore tricolor t-shirts and cap during the event and sat accordingly to represent the National Flag.

With the record attempt, SPPU announced the start of its 'Green Wari' initiative with an aim to promote conservation of water resources and generating tree cover.

Vice Chancellor, Dr. Nitin Karmalkar congratulated students and staff who participated and encouraged them to take the message on ecological awareness further. "It is highly commendable that a social initiative taken up

on university-level has marked its recognition on global-level. This will definitely help in boosting awareness about environment and its importance,” he said.

Mr. Devendra Fadnavis, administered an oath to participating NSS volunteers for ensuring a ‘Green Wari’. All the speakers focused on making the Wari an environmentally friendly one, reducing the use of plastic and no open defecating. Pune Guardian Minister Chandrakant Patil, Mayor Mukta Tilak, and District Collector Naval Kishore Ram among others, were present at the event.

Thanks to the efforts of Management and Principal, students could reach the SPPU campus by buses arranged for them. NSS program officer Akbar Sayyed, BSD officers Dr. Shakir and Dr. Baba Shaikh, NSS members of Junior college accompanied the 400 NSS volunteers from Poona College, and thus, were a part of this historic event!

पुणे : समाजात अनेक जण वंचित आहेत, त्यांच्या चेहऱ्यावरील हसू हरवलेले आहे. त्या चेहऱ्यांवर पुन्हा हास्याची लंकेर झळकावी आणि त्यांच्या आयुष्यात आनंद फुलावा, यासाठी वाय अँड एम अंजुमन खेरुल इस्लामच्या पूना कॉलेज, आर्ट्स, कॉमर्स अँड सायन्सच्या वतीने एक सामाजिक उपक्रम सुरू करण्यात आला आहे. 'मुस्कान' असे त्या उपक्रमाचे नाव असून, त्याअंतर्गत वंचित घटकांना आधार देण्याचे काम करण्यात येणार आहे.

Report of Donation of Sewing Machines

“Every Donation Makes a Difference”

With the approaching New Year, the volunteers of Muskaan: The Healing Smile, AKI's Poona College of Arts, Science & Commerce, put the heads together to decide on the new year resolution. After several hours of meeting, they finally decided that this New Year will bring hope for the underprivileged, uneducated women of Harkanagar slum in Bhavanipeth, the neighbouring locality of Poona College.

As a New Year gift, the Muskaan volunteers join hands to gift two sewing machines to Magaswargiya Nagarik Vikas Sanstha, Harkanagar, BhavaniPeth on 17 January 2019. These youngsters understand that women play variety of significant roles in our society from their birth till the end of life. They believe that training women with skilled courses is a great way to provide opportunity to the underprivileged women to start their own business or to get a job to come out of poverty. With this idea they approached their Principal who eagerly supports them in all their endeavours. He appreciated the students with the following words: “Dear students I'm thorough impressed by you sympathy and empathy for the women folk of our locality. Your initiative is like providing fish net instead of giving fish”.

Principal Prof. Aftab Anwar Shaikh felicitated by MagaswargiyaNagarikVikasSanstha (dated 17 January 2019)

Principal Prof. Aftab Anwar Shaikh addressing the gathering of ladies of MagaswargiyaNagarikVikasSanstha (dated 17 January 2019)

These young volunteers thought that donating sewing machine will help them in skill training that will help them lifelong. This will provide great opportunities for women and girls to further develop their marketable skills and therefore a little step towards self-independence. This will allow them to earn a living from home to support their families.

Dr. Nasrin Khan Addressing the ladies of the SansthaMuskaan Volunteers at MagaswargiyaNagarikVikas Sanstha (Dated 17 January 2019)

In India, more than 50 percent of women are illiterate. Living in poverty with a limited education greatly hinders these women from finding quality jobs to support their families. They are often at risk of being trapped in dehumanizing professions in order to feed their children. This small donation from Muskaan: The Healing Smile will empower poor women with valuable sewing skills and the sewing machines will aid them to earn a respectable living and help their families.

These women, who are poor mothers, widows and orphan girls, will have an opportunity to use their skills to rise out of poverty and work towards a promising future for themselves and their families.

Muskaan: The Healing Smile understands that money in the form of sewing machine will go to support a grassroot cause where every donation makes a difference.

A REPORT ON

MUSKAAN: THE HEALING SMILE

Helping the Sick and Needy

On 23 January 2019 at 12 noon an agitated group of F.Y.B.Sc students barged in the Principal's office. The students shared their concern for their F.Y.B.Sc classmate Ms. Fiza Shaikh who was going through a very difficult phase of life. Her father was hospitalized due to acute liver disease. Her mother took up a job as domestic help to support the family but still she could not arrange for his treatment. The Principal heard the ordeal of Fiza Shaikh and immediately called the teacher and student volunteers of Muskaan: The Healing Smile and explained FizaShaikh's case. Immediately the Muskaan volunteers got into action and drafted an appeal for donation. This appeal was circulated on the same day....

The Muskaan volunteers approached teaching and non teaching staff got help from every nook and corner for Ms. Fiza Shaikh.

In just two days they collected Rs. 40,150/- to help Fiza and her family.... on the Republic Day these volunteers after flag hoisting went to sasoon hospital and helped fiza and her family.

A REPORT ON
MUSKAAN: THE HEALING SMILE

Wall of Kindness

Wall of Kindness: A Gift to Pune City from Poona College Muskaan Volunteers

Wall painted by Muskaan: The Healing Smile Volunteers on M.G. Road (28 January 2019)

With the temperature dipping to less than 6 degrees, the record of the coldest day in the last two decades in Pune city, the volunteers of Muskaan: The Healing Smile, once again geared up to spread happiness and warmth among the deprived sections of Pune city. This time it was with the concept of Wall of Kindness.

A.K.I's Pooa College of Arts, Science and Commerce, Muskaan volunteers, joined hands with the Pune Cantonment Board and got full fledged support from Ms. Priyanka Shirigiri, Vice President, Pune Cantonment Board who gave them a wall of the centre, which is located on M.G road next to Pune Cantonment Court.

This Wall of Kindness was inaugurated on 28 January 2019 by Ms. Priyanka Shirigiri, Vice President, Pune Cantonment Board. The wall is beautifully painted and regularly cleaned by the volunteers of Muskaan.

Mrs. Priyanka Shirigiri, (Vice President, Pune Cantonment Board), Principal Prof (Dr.) Aftab Anwar Shaikh, Vice-Principals, Staff & Student Volunteers (dated 28 January 2019)

The idea behind the wall of kindness is to reach to the needy and deprived section of the society by making available clothes, sweaters, blankets, etc to the people who cannot afford. People who do not need a set of clothes or other useful items can deposit them in the donation boxes which are located near the Wall of kindness, these clothes are then mounted on the pegs of the wall of kindness and the needy can take whatever they want, without being questioned. The motto behind the wall of kindness is take what you need and leave what you don't. This wall just turns out to be a give and take between the needy ones and the ones who want to contribute to help the needy ones. With the regular site of dirty walls that are filled with spit stains and other posters, this

wall stands an exception as it is beautifully painted by the youngsters who are devoted to the cause of humanity and are playing a major role in making Pune city a sensitive city that understands the needs of its deprived citizens.

When the young volunteers of Muskaan went to the Principal, Prof. Aftab Anwar Shaikh with the idea of Wall of Kindness, the Principal supported these youngsters and told them 'it is a simple and wonderful idea, dear students: the sort that one wonders why no one thought of it before in Pune city'. He promised to support them by all means and so the wall of kindness: the charitable project developed by the teachers, students and Principal of Poona College was implemented. This is a great way to make sure that what one does not need finds its way to those who need it.

Initially the donations poured in from the students of Poona College but very soon donations from citizens all over Pune city started to pour in donation box. There are two check points where people can donate the clothes and other stuff, one check point is at the Wall of Kindness and the second check point is at Poona College. The volunteers go through the donated stuff and select the ones that are in good condition and hang them on the pegs of the wall of kindness.

Generally wall is one thing which is known to create a partition or divide.

We can say that wall symbolizes segregation of various communities, but this wall of kindness has a different meaning- it is uniting people from all walks of life on an unprecedented scale. This wall of kindness is for lending a helping hand to the poor people for whom it is difficult to make the ends meet.

There are words of encouragement written all over the walls that definitely invite the passers-by to leave a piece of kindness in the form of clothes if they can spare them and the underprivileged people can pick their need from this wall. This social concept serves as a beacon of hope for the needy.

There is no stipulation, no rule; just give and take between those in need and those who want to help the one in need. Muskaan volunteers are playing a major role of bridging the gap between the haves and the have-nots of Pune city.

This wall of kindness is more than just donating. It is a symbol to celebrate humanity and solidarity across Pune city. An initiative that deserves applause!!! Hope this pure hearted venture from the Poona College Muskaan Volunteers flourishes!!!

A social initiative of the college

Muskaan: The Healing Smile visits St. Vincent De Paul Old Age Home (Prem Niwas)

Dr. Nasrin Khan, 29th January, 2019.

Muskaan volunteer's teachers and students organized a visit to Old age home to Prem Niwas Camp, Pune on 29th Jan 2019 at 10.30 am to sensitize the youth of today and inculcate in them the values of empathy and compassion. With the fast-growing computer savvy world, it has become difficult to divert student's attention towards a social cause. The volunteers realized the need and decided to visit old age home to bring the smiles on the faces of the old ladies living in Prem Niwas

More than **25 student volunteers** accompanied two teacher Ms. Wafiya Wahid and Dr. Nasrin Khan to pay visit to St. Vincent De Paul Old Age Home (Prem Niwas) in camp Pune carrying several daily necessities like Rice, Dal, Wheat, Sugar, Cooking Oil, Fresh Vegetables, Spices and tea powder. Students were escorted and shown all the facilities that were made available to the senior citizens like prayer hall, bedroom, recreation room, kitchen etc. The students spent some thought provoking moments with the inmates of Prem Niwas who have been either neglected or become

unwanted by their children, who treat them as useless appendages. On visiting and talking with the inmates of old age home one of the student said “mam thank you for getting us here today I feel I have done something good” another girl student said “how selfish and materialistic someone can be when they throw away the same parents who brought them up with such pain, and gave their every wishes more priority than necessities and lifted them in their arms”

29.1.2019 Dr. Nasrin Khan with inmates of Prem Niwas along with student volunteers of Muskaan: The Healing Smile

It is indeed sad to say parents drop their kids to school and today kids have dropped them in an old age home. There were as many as twenty-one (21) old women aged above 55 years were staying. Students were lost in listening to their heartbreaking tragedies. There was a lady who missed her daughter working in America and her old eyes were looking for her. There was another woman who had been ruthlessly thrown out of her house and no one visited her since past 30 years. These old women are very thankful and happy to find shelter under St. Vincent De Paul (Prem Niwas) Old age home and especially the nuns who serve them selflessly every day. All of them live peacefully with each other like a family of sisters and daughters caring and sharing and loving all.

Hence be kind and generous. Do not deprive your parents and grandparents from love, for they are the ones who loved you the most in this world. Report of the Orphanage Visit
Annadaan is Mahadaan

Orphanages play an important role in the society. An orphanage like Vali Mohamed and Dost Mohamed Muslim girls orphanage takes care of the girls in a better way than the mothers who are often widows. Children are often send to this institution as a way of relieving a widow from the stress of providing for her family. The girls in this orphanage is given a safe environment in which to grow, given a comfortable bed to sleep and regular food and schooling. Most important is that girls in this orphanage are given a stable lifestyle that they would not find at their own home. Muskaan: The Healing Smile believes in supporting such institutes that are already set up for the upliftment of orphan girls. on 31st January 2019 the teacher and student volunteers of Muskaan: The Healing Smile donated 60 kilogram of wheat, 50 kilogram of sugar, 40 kilogram of rice and 5 kilogram of tea leaves to the orphan girl of Vali Mohamed and Dost Mohamed Muslim Girls Orphanage. Dr. Shirin Shaikh along with three Muskaan volunteers visited the orphanage.

STREET PLAY- illeffects of tobacco, alcohol & smoking

Society today is outburst with issues like child labouring, infant foeticide, acid attack, gender discrimination & consumption of tobacco, alcohol & drugs etc. The root cause of mass growth of such social issues is lack of knowledge, illiteracy or the poverty. It is found that people at or below the poverty level are primary victims of such serious issues hence realizing the contribution of our students as decision maker, impact makers & activist, department of Chemistry had organized a street play entitled "illeffects of tobacco, alcohol & smoking. The play was organized near slum area of Kashewadi on 10th Jan 2019.

Students of S.Y.BSc. Performed street play in the premises of **Saapika School located in Kashewadi**. The play was witnessed by around 60 students from primary section of English & Urdu medium School. The group performs on contemporary social issues which are casually ignored and not confronted by the society as whole. It was meant to bring awareness to the budding mass, the future of society as school children regarding the contemporary issues faced by Society today. The tittle of the play was "Dastak" which was based on illeffects of alcohol consumption, tobacco chewing & smoking. The street play started with a very common sight and experience as how people forcibly become habitual to these ailments due to personal, professional, problems or frustration due to poverty & lack of resources available for a sound life style. And the play proceeded with informative session about adverse health effects & loss of life as in case of serious victims. The play was intertwined with very heart wrenching and ironic moments infused with entertainment. The students of S.Y.BSc. looked much disciplined towards their art and their performance succeeded in sending their message across powerfully as every face in the audience was drought with emotions.
