### Report: River Cleanliness & No To Plastic Drive

**2<sup>nd</sup> October, 2019:** On the occasion of Golden Jubilee of NSS Unit of SPPU and to commemorate the 150th Gandhi Jayanti, a Cleanliness Drive under **Swachh Bharat Abhiyan** was organized in Pune and Pimpri-Chinchwad areas. All the NSS Units of various colleges in these areas were given specific areas to carry out awareness drive by cleaning rivers - Mula-Mutha and Pavana.

The NSS Unit of Y & M AKI's Poona College of Arts, Science & Commerce, Pune, was allotted the area below Sangam Bridge, along Mula Mutha River, Shivajinagar. This activity was conducted alongwith AISSMS College of Engineering. Students gathered by 7am with all necessary equipment for river cleaning and protective gear such as gloves and masks.

After forming groups, students began the tedious work of collecting garbage along the riverside as well as the shallow waters of the river. They mostly found articles made of plastic such as bottles, cups, bags, etc. mixed with garlands and loose flowers that were dumped by the people during rituals carried out at the cremation ground as well as travelers passing the Sangam bridge. All the collection was properly disposed in the bins provided by the Municipal Corporation.

The second important activity was the Oath taking at Shaniwarwada, Pune. NSS student volunteers from Pune city gathered at the open ground near the historic Shaniwarwada to participate in the Oath taking ceremony. A pledge to make the city "Plastic Free" was taken by all the students, NSS Program Officers, Area Co-ordinators, District co-ordinator under the aegis of SPPU. This marked the end of the Campaign organized by NSS.

19 **student** volunteers from the college gave their contribution in this noble cause under the guidance of Program Officers Mr. Akbar Sayyed and Dr. Aafreen A. Ahmed.

### REPORT: CELEBRATION OF NATIONAL YOUTH DAY

**13<sup>th</sup> January, 2020:** To mark the birth anniversary of Swami Vivekananda and honour the spiritual leader, the Indian Government has declared January 12 as National Youth Day. Swami Vivekananda was a great social leader who saw hope for the future in every child and believed that with “muscles of iron” and “nerves of steel” they could bring about social change. Swami himself personified the eternal energy of the youth and a restless quest for truth.

Today, almost 50 percent of India’s population is under the age of 25. The future of the country rides on their shoulders, thus, making celebrations that empower young people so important! With the theme ‘**Channelizing Youth Power for Nation Building**’ in mind, the NSS Unit of Y & M AKI’s Poona College of Arts, Science and Commerce, Pune celebrated National Youth Day on Monday, the 13<sup>th</sup> of January, 2020. The apt speaker for giving insight into the unknown facts of the life of Swami Vivekananda was Mrs. Sandhya Patil, a senior social worker at **Swami Vivekananda Kendra, Pune**. She presented an elaborate speech on the life and works of the great leader and his philosophies - three “P”s essential to success according to Swami are: "Purity, patience, and perseverance". She quoted him saying, “No man is born to any religion; he has a religion in his own soul."

The other guest speaker Mr. Yash Marathe gave this celebration a boost by conducting a counseling session. Through activities, he taught students easy techniques to concentrate, memorize and develop a positive attitude by warding off negative and depressing thoughts.

Principal Dr. Aftab Anwar Shaikh motivated students to be practical and develop an attitude to tackle and handle every tough and challenging situation properly. He said that every child is entirely different from others and this results in giving birth to various kinds

of activities and also problems in every area. So every person should be capable enough to act according to the situation, manage every task quite comfortably.

The program was attended by 66 students and staff members of NSS Unit. The celebration turned to be a success by efforts of Program Officers Dr. Aafreen A. Ahmed and Mr. Akbar Sayyed, members Dr. Zoheb Hasan and NSS student volunteers Miss Diana Fernandes, Miss Suvarna Kekail, Mr. Sameer Sayyed to name a few.

## DETAILED REPORT

### Report: Awareness Programme on Organ Donation

**10<sup>th</sup> December, 2019:** Organ and tissue donation is more important than many of us realize - for society and for the individuals it directly affects. Each day, more than 21 people die waiting for a transplant. The need for organ donors is growing, whereas, the organ donation rates in India is very poor around 0.3/million, as compared to Western countries where it is high as 36/million.

There is a dire need to spread awareness about organ donation and help our community, our country in progress. Keeping this mind, the NSS Unit of Y & M AKI's Poona College of Arts, Science and Commerce, Pune, arranged for a talk by Mr. Pankaj Pipada, member of **ReBirth Foundation, Pune** that is actively involved in creating an impact in spreading awareness and coordinating between donors and recipients, making the process easier.

Mr. Pankaj brought forth the importance of organ or tissue donation either after death or when the donor is alive. He motivated students to go for the noble cause so that a day arrives when no-one in India loses life because of unavailability of organs. He said- "By registering as an organ donor, one has the chance to save and improve the lives of upto 75 people"! He answered queries regarding safety and complications involved in this process.

Students pledged to "**Give the gift of life: become an organ donor**".

**135 student** volunteers attended this awareness program and promised to spread the message further to family, friends and the community. This program was a success under the guidance of Principal Dr. Aftab Anwar Shaikh, Vice Principals and efforts of NSS Program Officer Mr. Akbar Sayyed.

## DETAILED REPORT

### Report: Survey of School Dropouts

**11<sup>th</sup> & 12<sup>th</sup> September, 2019:** Leaving school and studies at a very young age is a common phenomenon in India and many Asian and African countries. The reason mostly being poverty. Dropping out of school has serious consequences for students and their families. Students who decide to drop out of school face social stigma, fewer job opportunities, lower salaries, and higher probability of involvement with the criminal justice system.

The NSS Unit of Y & M AKI's Poona College of Arts, Science and Commerce, Pune conducted a survey of school dropouts during September, 2019. The neighbouring areas of college were chosen for the activity. Students moved in different areas forming groups of four. They talked to the families in detail about the number of members, income source of parents, number of children in each home, the numbers enrolled in school, the number of dropouts, etc. To their surprise, volunteers found that in almost every house one child was at home. The reason was that they were either helping parents in earning for the family or staying back to care for the younger siblings while parents were at work. Other major reasons were: lack of interest in studies, poverty and migration. Some other causes identified were: age of pupils, poor academic performance, employment, teacher pupil relationships, peer pressure and other school related factors such as no provision of lunch and poor structures.

Volunteers were saddened at the plight of the youngsters in the slums. 17 students participated in this activity. They counseled parents and the school dropouts to return to studies and suggested the various Government schemes that could help them achieve this easily.

**September 2<sup>nd</sup> to 18th, 2019:** Festivals bring in a lot of joy, celebrations, shopping, gatherings, fun and frolic! This includes people taking out processions on streets. The result is crowded markets leading to traffic jams, chaos and minor clashes too. Police has a tough time handling all this for days together alongwith their regular duties at the police station. NSS volunteers and the Police Mitra readily provide necessary help to ease the workload on police.

Eight volunteers from Y & M AKI's Poona College of Arts, Science & Commerce, Pune, offered their services to the **Lashkar Police** during Ganpati and Moharram festivals. As these festivals coincided during the month of September, 2019, there were huge crowds on streets especially during evenings. The student volunteers helped traffic police to ease out traffic jams by making way for two wheelers in narrow streets and divert traffic. They provided some resting time to the police who were very happy for the services they received from college students.

Volunteers were applauded for their efforts by the Lashkar Police, Camp, Pune. This activity developed in students a sense of responsibility towards society and community. They learnt lessons of patience, kindness and tolerance. These lessons could make them better citizens of the country indeed!

With motivation from Principal Dr. Aftab Anwar Shaikh and NSS member Mr. Vakeel Sayyed, students worked with dedication from 2<sup>nd</sup> of September to the 18<sup>th</sup>.

## DETAILED REPORT

### Report: Maharashtra Anti – Tobacco Mass Pledge

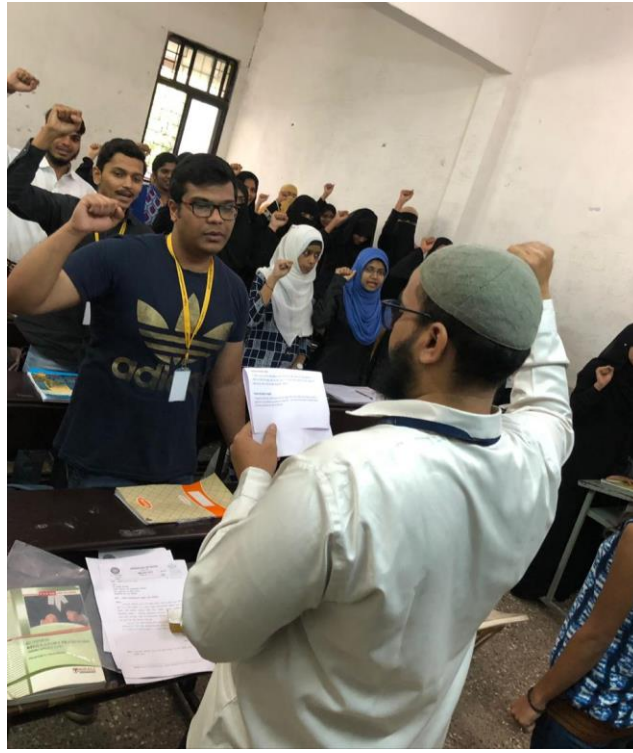

**11<sup>th</sup> July, 2019:** Each year around 13.5 lakh people die due to tobacco related diseases and 26.7 crore people consume tobacco in India, of which, one-third or more die an early death. The main concern is that everyday around 5500 children start consuming tobacco in some form, whereas only 3% are able to quit. Taking serious note of this grave scenario, ‘Pledge for Life – Tobacco Free Youth’ campaign has been launched by the Government of Maharashtra. On the 11<sup>th</sup> of July this year, Maharashtra Anti-Tobacco Mass Pledge was planned and executed in colleges all over Maharashtra. The action plan was to channelise the youth towards awareness about the ill-effects of tobacco while setting examples of staying tobacco free themselves.

Protecting our future generations from tobacco is very crucial and youth must be actively participating in anti-tobacco activities.

The NSS Units of SPPU and all affiliated colleges contributed significantly in this campaign. Under the leadership of Principal Dr. Aftab Anwar Shaikh and efforts of NSS PO Mr. Akbar Sayyed, this pledge was taken by students and staff of Y & M AKI’s Poona College of Arts, Science & Commerce, Pune. Students and staff were sensitized about the ill-effects of tobacco and later administered an oath that they would not touch tobacco and also discourage their family and friends from doing so.

98 student volunteers participated in the program.

### **Report: Visit to Mauli Seva Pratishthan, Hiwre Bazar and Ralegan Siddhi, Ahmednagar.**

**23<sup>rd</sup>, September, 2019:** The NSS Unit of Y & M AKI's Pooona College of Arts, Science & Commerce, took a noble initiative by arranging a visit to Mauli Seva Pratishthan, Ahmednagar, that is looking after 300 homeless women and their 29 children. Managed by a doctor couple, this home takes lifelong care, treatment and rehabilitation of wandering, mentally and physically ill destitute women found on roads. Students interacted with them to find out more about their lives and how this charitable home is spreading joy in their lives. The doctor couple -The Dhamanes, treat the critically ill, feed them and work selflessly to improve the lives of these unfortunate women and their children. The visit was inspiring for students, instilling in them the values of empathy for the less privileged people of our society, hoping to raise them to become honest and respectable citizens of society. Students donated funds to the home before leaving to their next destination.

After this, students moved ahead to Hiwre Bazar and Ralegan Siddhi, the two model villages that have overcome drought and subsequent migration problems of its villagers. Both are noted for their water conservation programs, irrigation systems that have helped them fight the drought and drinking water problems. Under the guidance of Mr. Anna Hazare and Popatrao Baguji Pawar, the villages have secured bank loans for farmers and started rainwater harvesting, water conservation and management programs, which involved building 52 earthen bunds, percolation tanks, 32 stone bunds and nine check dams.

Students were amazed at the greatly improved socio-economic conditions in the villages and proud to have visited the village declared an "Ideal Village" by the Government of Maharashtra. They were excited to see the clever use of renewable sources of energy such as solar power, biogas and windmill.

50 students under the supervision of NSS PO Mr. Akbar Sayyed, visited these places. They found that the villages have water year round, have a grain bank, a milk bank, and a school. There is no longer any poverty.....All this achieved with sheer determination by two simpletons who had the desire to serve the society selflessly. This was a very important lesson that the young minds learnt!

## DETAILED REPORT

### **REPORT: COVID Awareness and Mask Making during lockdown**

**April & May, 2020:** March this year brought along a great threat to human life in the form of the deadly Coronavirus! This sent the entire world into a state of paranoia. There was chaos and fear! The immediate step taken was a complete lockdown. This brought a halt to all types of businesses, education in schools, colleges, food and travel industry, etc. There was a dire need to educate public about the disease and ways to remain safe by staying at home, adhering to rules laid down by the Disaster Management Authorities.

The NSS Unit of SPPU immediately issued guidelines to NSS Units of all affiliated colleges to carry out awareness programmes on COVID through student volunteers from their respective homes.

Thus, under the guidance of the dynamic Principal Dr. Aftab Anwar Shaikh, NSS Program Officers Mr. Akbar Sayyed and Dr. Aafreen A. Ahmed, the NSS Unit of Y & M AKI's Poona College of Arts, Science and Commerce, Pune, sprang into action. Students made videos and posters guiding people to take precautionary measures during the pandemic as per guidelines of WHO. These videos were posted on social media so as to spread awareness. Students learnt to be responsible and act sensibly during times of disaster.

Through online meetings, Principal Dr. Aftab Anwar Shaikh motivated students to be practical and develop a positive attitude to tackle and handle every tough and challenging situation with courage and help others too.

Students made masks at home. These were then donated to the slums near the college and labour camps.

CELEBRATION OF  
INTERNATIONAL DAY OF THE GIRL CHILD

On December 19, 2011, United Nations General Assembly adopted Resolution 66/170 declaring October 11 as the International Day of the Girl Child. This Day focuses attention on the need to address the challenges girls face and to promote girls' empowerment and the fulfilment of their human rights.

NSS Unit of Y&M AKI's Poona College of Arts, Science & Commerce, Pune commemorated this day by organizing a guest lecture by renowned Prof. Dr. Shruti Tambe, Head, Department of Sociology, Savitribai Phule Pune University via ZOOM App. The theme this year is: My Voice, Our Equal Future.

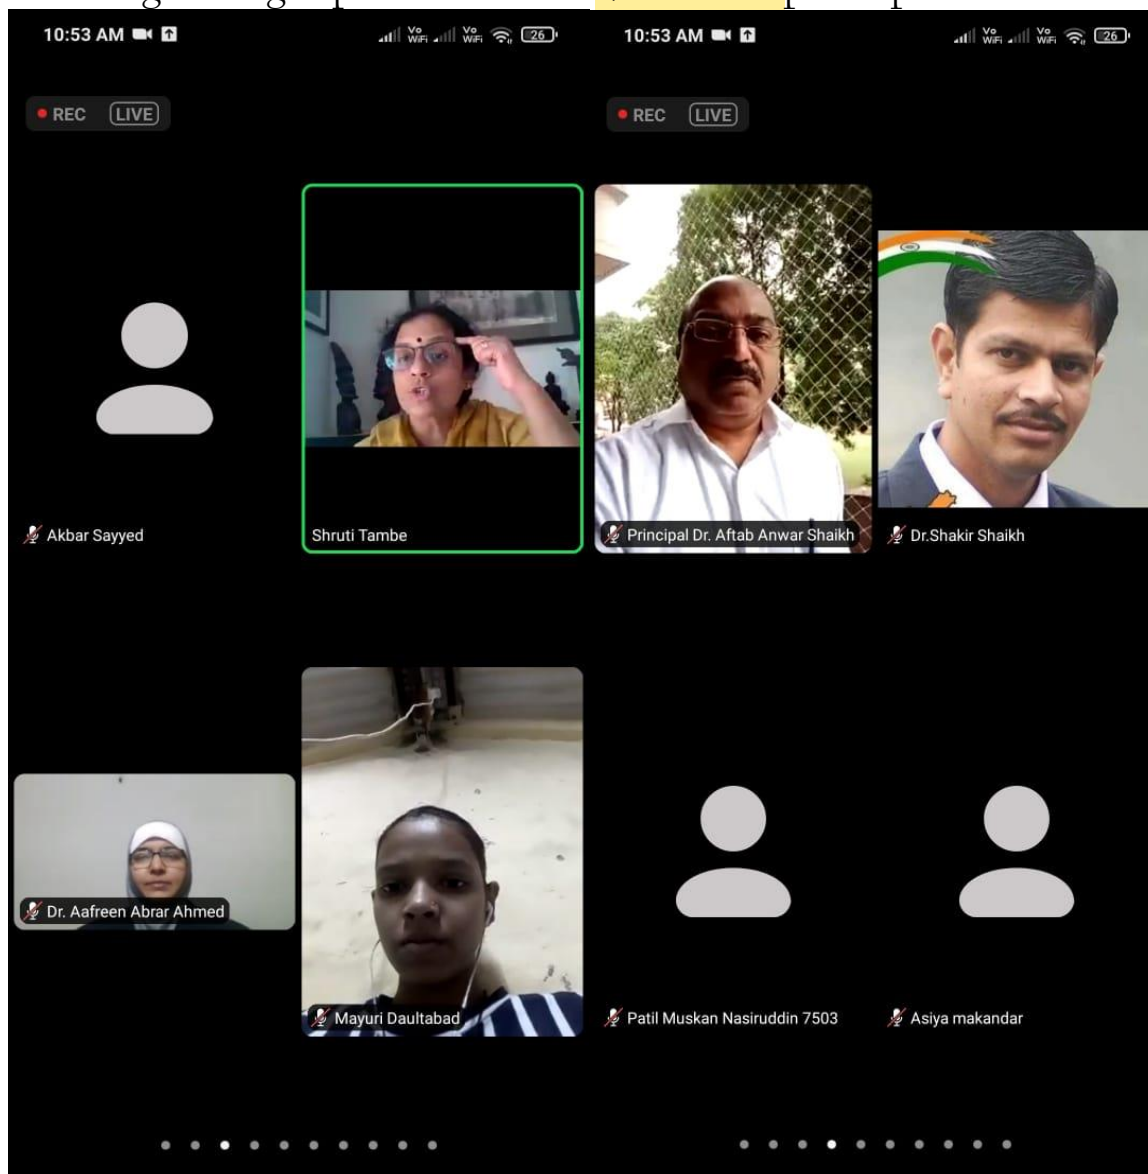

She spoke effectively on the rights of girls: "Adolescent girls have the right to a safe, educated, and healthy life, not only during these critical formative years, but also as they mature into women. If effectively supported during the adolescent years, girls have the potential to change the world – both as the empowered girls of today and as tomorrow's workers, entrepreneurs, mentors, household heads, political leaders and mothers. An investment in realizing the power of adolescent girls upholds their rights today and promises a more equitable and prosperous future, one in which half of humanity is an equal partner in solving the problems of climate change, political conflict, economic growth, disease prevention, and global sustainability".

Principal Aftab Anwar Shaikh also shared his thoughts on access of girls to quality education and a dignified life. He said, "Girls can do anything and we

all have a role in taking action to build a more peaceful and prosperous world for us all". He asked students to spread this message with friends, family, and community online!

The program ended on a positive note by the host & NSS Program Officer Dr. Aafreen A. Ahmed: "It's time we encourage girls to pursue their dreams, uplift their self-esteem and celebrate all their talents".

Students interacted with the speaker; some shared their experiences. This was an enlightening experience where 97 students participated online.

Thousands of workers from other states have been stranded in the city following the outbreak, struggling to make ends meet. With diminishing ration, many have taken to infrequent meals — their plight still not being corrected by any definitive aid. At such a time, many Good Samaritans have extended their helping hand. It includes professors along with a group of present and former students from Poona College, with the former lot donating their one day's salary to the relief fund.

College principal Aftab Shaikh planned the initiative. He stays on the campus the whole day, monitoring the process from dawn till the dusk, also takes complaints

## **Poona College Youngsters Celebrate Valentine's Day in a Different Way**

Valentine's Day is an international festival that celebrates the feeling of love. In most of countries, February 14 is considered as a national holiday. Valentine's Day is specially celebrated by lovers. Even in the media, Valentine's Day is portrayed as a day meant for lovers. However, Valentine's Day has a much larger appeal. It is a day to express love and that love can be for anyone and not specially a lover. This was demonstrated by the students and teachers of Poona College.

On 14 February 2020, the teachers and student volunteers of Muskaan: The Healing Smile, the Social initiative of Poona College showed the world a new way of celebrating Valentine's day. On this day, they visited SOFOSH Shreevatsa, the adoption Centre of Sassoon Hospital and shared the happiness and love with the little angels of the centre.

The young Muskaan Volunteers learnt that love is not all about giving gifts and roses but it means sharing the happiness and joy with the one who has none to call their own. The youngsters also learnt that they to owe a share of love and care to these little babies whom they parents had abandoned.

These young students were surprised to see how one can be so inhuman as to desert the new born innocent babies. Muskaan volunteers also gifted these children some essential food items, essential medicines like wikoryl, zifi, doulin respules, Dettol, bathing soaps, vegetables, sago, biscuits etc.

The Principal Prof. Aftab Anwar Shaikh, who has always been a motivating force in all social initiatives, sponsored meals for all the children of this centre on the occasion of Valentine's day. He further remarked that it's important to make the youth realise their responsibility as parents and that children need to be loved, cared and nurtured not only on Valentine's day but every day.

Shreevasta is really nurturing and rehabilitating the children from deprived family. It is definitely providing loving shelter to the abandoned and challenged children. At this centre one could say that truly empathy meets medical care....Poona College salutes SOFOSH (Society of Friends of the Sassoon Hospital ) Shreevasta for the noble cause.

The visit to this orphanage helped us to connect with the underprivileged section of the society. This visit increased our gratitude for everything we have in our life. We are fortunate to have our parents to care, teachers to educate, food to eat, home to stay & access to all the privileged commodities that we need. We were able to participate in this Noble cause because of the students & our supervisors.

Firstly, they started the course by explaining about the basic ingredients which will need to bake a basic cake. After this whole crowd got an idea about how to choose the source of ingredients and what features to check before buying them. All this explanation was noted by the crowd by means of notes and recording.

Secondly, they started to show the crowd practically how to mix and prepare the batter of the cake and heat the oven or microwave before placing the batter into it. Trainer explained everything practically to the crowd regarding the time to bake, how to check if proper baking is done or not and about the techniques of leveling the cake in a simple way and create a perfectly flat topped cake. After this, the most important thing that they explained about topping of the cake and that is vital to give an attractive look to a simple baked cake.

Lastly, our trainer explained about the topping ingredients, how to create an art form on the cake top and how to give a perfect finish. Besides all the above lessons crowd noted tips to avoid creating any crack and if happens how to get them fixed. Thus, everyone has enjoyed this practical session a lot by making cake individually.
