Report on "Annual Orientation Programme" Date: 14/09/19

Today, Mr. Jawwad Kazi talk on all kind of competitive examinations and everyone wants to protect their future as life is full of uncertainties. Most people want to get settled in their life by having a steady flow of income and growth at regular intervals of time. Though the mushrooming private sector has opened up new prospects of a bright future for today's youth, job insecurity still hangs 24x7. Due to this, we have to work hard as we all know that private firms demand long working hours. At certain point of life, many of us start acknowledging this realm of life and get going with the same job in private sector.

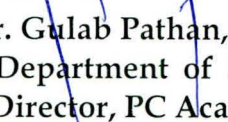

Mr. Kazi focused on how many people who act smart and opt for government jobs. It has never been a secret that government jobs have fixed working hours and moreover plenty of facilities and flexibility offered to its employees. Being the world's seventh largest country, India comprises of 29 states, which jointly offers plethora of government jobs. Every year, different civil service examinations are conducted. Of all these exams, some are held at state level whereas some at national level. In state level service exams, MPSC exam is one of the premier civil services exams in India.

As per the explanation of guest, MPSC stands for Maharashtra Public Service Commission. Formed by the Constitution of India, MPSC is a body that selects candidates for civil service jobs in the State of Maharashtra. Every year, the Government of Maharashtra conducts MPSC exam through which it selects eligible candidates for jobs under its various departments like Administration, Police, Forest and Engineering.

Annually, MPSC conducts about 15 examinations for Class I, II and III officers in various government services. Students are responsive and ask questions in between the discussion of the lecture.

We conduct this lecture series, for orientation of the students in the competitive examination prospective and create awareness among them. This lecture was attended by 160 students of BA, B.Com, B.sc, and other professional courses of the college.

Dr. Gulab Pathan, and Members of PC Academy was become an instrumental in the successful organization of the event.

Report on "Guidance Talk for MPSC Entrance Examination"

Date: 30/12/19

Mr. Jawwad Kazi talk on public service commission is a stepping stone to a life of privilege and status. Against the backdrop of India's huge and burgeoning population, this is an avenue that offers an instant entry to a life of respectability and success. No surprise, for the 2000 vacancies, there are six lakh aspirants annually, of which more than a lakh are from Pune alone. With all its coaching classes, study rooms and libraries, Pune is a thriving hub for MPSC aspirants

Mr. Jawwad Kazi was streets, on legion of students who nurture in their hearts and minds dreams of a sparkling tomorrow, and bright horizons with infinite possibilities. Pune has constantly evolved and redefined itself as a quality centre of education. The city is home to India's first school for girls that was set up in 1848, and is renowned as the 'Oxford of the East', with its nine universities and over a 100 educational institutions. But Pune is also home to countless young Maharashtra Public Service Commission (MPSC) aspirants.

Overall, almost six lakh students every year on and average submit MPSC forms, out of which over one lakh forms are from Pune district alone, the highest in Maharashtra. Pune has more than 15 private coaching classes and over a 100 study rooms and libraries.

Workshop on “Career and Prospects in Economics”

Department of Economics organized a Workshop on Career and Prospects in Economics and Fresher Party for all the economics students of FYBA and M.A on 21st Aug.2019. In this programme Prof. Dr. Shakeel Ahmed, Director of PIMSE and former Head of Economics, Poona College of Arts, Science and Commerce, Pune was invited to give an enlightening talk on “Careers in Economics” to the economics students.

He expressed that Economics has great value for making a career and it is mother of all disciplines. In all competitive exams, Economics is usually a major component. One should not limit oneself to become teacher in Junior or Senior College. A variety of careers are available. The world is so big. We should explore and make best use of the opportunities.

Meaning of career – it is a life time activity. It is also an individual journey through learning process. He advised students to refer on the goal of life. They should strive towards achieving their goal. They should do SWOT analysis. Honesty, sincerity and integrity matter in developing a successful career.

He presented some case studies to motivate the students to pursue suitable careers. He told about various jobs opportunities for Economics students in Private and Public Sector.

Dr. Shahid J Ansari, officiating Head of the Department welcomed the chief guest and students. Faculty members of the Department, Dr. Gulnawaz , Dr. Vidyasagar, Dr. Ana Mateen and Ms. Rifat Memon extended their full cooperation to make the programme a great success. All the students of Economics were benefitted by this programme. 32 students participated in this Programme and this program was coordinated by Ms. Rifat Memon.

Report of seminar organized by Department of Commerce & Department of Business Communication in Association with Aptech Aviation Academy

Aptech Aviation Academy is a well known academy that provides a wide variety of career & professional courses, in the domains of aviation, hospitality, travel, tourism, event management and retail.

A seminar was organised for the First year B. Com students on 28 August 2019, from 7.30 am to 9.00 am in room no. 44 and 9.30 am to 11.00 am in room no. 32. The purpose of the seminar was to familiarise the First year students about the career options available in the field of aviation. Ms. Sweety Chhatwal Johar and her team from Aptech Aviation Academy explained to the students the various career opportunities in aviation. She explained how their courses are designed by experts after careful market study and research. She encouraged the students to join the courses as they are taught by experienced and certified faculty.

Ms. Sweety Johar addressing the students (Dated: 28.08.2019)

Dr. Shirin Shaikh encouraging students to come up with their queries. (Dated: 28.08.2019)

The first year student were selected for this seminar because to join most of the career building course at aptech, the candidate needs to be class 12 or 10+2 in Arts, Science, Commerce or any other field. Ms. Sweety Chhatwal Johar convinced the students that Aptech Aviation Academy offers industry-accepted, career-oriented courses that prepare the students

for international careers in the aviation, hospitality, travel & tourism, and retail industries. All the courses offered at Aptech help the student build a career. She provided them with the glimpse of the following courses offered by Aptech:

1. Aviation, tourism and Hospitality

2. Ground staff and hospitality professional

3. Luxury Retail Professionals

4. Professional in Airport Management and customer care

5. Professional in Cabin Crew

6. Professional in event Management

7. Personality Development Courses

Ms. Sweety also provided information about how over the years, Aptech Limited has trained over 70 lakhs students through a network of business partners located across geographies. As a leader in career education, it has more than 1300 centres of learning in various countries.

She convinced the students that Aptech's courses, teaching methodologies, certification, study material, faculties, and infrastructure are approved by international bodies.

More than 330 students attended this seminar. The seminar was co-ordinated by Dr. Shirin Shaikh

Expert Lecture on
“Career Opportunities in Social Sciences”

10thDecember-2019

Report

The department of Sociology of Y&M AKI's Poona College of Arts, Science and Commerce has organized one day Expert Lecture on **“Career Opportunities in Social Sciences”** on **10th December-2019 at 10:00**. The expert lecture began with the welcoming address by the Principal of Poona College, He welcomed all the individuals who had come across the globe by stating that is honoured and privileged to have them here and discuss the aforementioned topic briefly. The workshop had some theme and objectives which were discussed by **Dr. Gulab Pathan, Head Department of Sociology**, He told the major issues emerging in today's world. He started from explaining the pros and cons of globalization to wishing luck to all for their future endeavors.

According to guest of the programme, **Dr. Vishal Jadhav, Head, Department of Sociology, Tilak Maharashtra Vidyapeeth Pune** Humanities and Social Science have become more and more promising career opportunities in modern times. The corporate have become more and more inclined to hire young graduates from the field of Humanities and Social Science. Humanities and Social Science is one of the fastest emerging disciplines in an exponentially dynamic national environment.

The major subjects covered in the area of Humanities include but is not limited to Sociology, History, Music, Arts, Literature etc. and Social Science area includes but is not limited to Political Science, Economics, Social Work etc.

In earlier times, Humanities and Social Science was not considered very promising and was an option of last resort with the students when they could not secure admission in Engineering, Medicine, and Management etc. But in modern times this discipline has caught the attention of recruiters and regulators in a big way and the recruiters prefer the hiring of students from the field of Humanities and Social Science.

The students are expected to have around 50 percent marks in 10+2 or equivalent for admission in the Undergraduate Programmes in Humanities and Social Science. In the case of Masters, students are expected to have around 50 percent marks at the graduation level. The Percentage Cut-Off for admission varies across different universities.

The students are able to enhance their domain knowledge, skills and competencies on successful completion of their programme. Students should have and focus on enriching their communication skills, research skills, reading skills, decision making skills, critical thinking skills, problem solving skills, leading skills, organizing skills, presentation skills, creativity and innovation etc.

Most of the Universities give admission in the discipline of Humanities and Social Science on the basis of the marks obtained in the qualifying examination, leading universities take admission on the basis of AIMA-UGAT or other state government examinations/ University entrance examinations / equivalent to the same and/or interview.

IITs, Indian Institute of Science and other leading Universities are offering undergraduate and postgraduate programmes in the discipline of Humanities and Social Science.

The students who pass out from Humanities and Social Sciences become a round shaped professional having an optimal blend of Knowledge, Skills and Competencies having diverse understanding of human behaviour & interaction in political, economic, social and cultural contexts.

This discipline enables the students to evolve a strong approach towards the society and the human beings with a holistic approach. The Higher Educational Institutions and various universities including private universities are getting a large number of foreign students coming from foreign countries from South Africa and other nearby countries.

The student pursuing a programme in Humanities and Social Science is likely to get a diverse set of students from India and abroad due to increasing demand in India and abroad.

The discipline is continuously evolving and has many journals which are receiving research papers from academicians and researchers of India and abroad. The journals in this discipline are focusing on interdisciplinary research.

The global trend of research and publication has also been witnessed in the discipline of Humanities and Social Sciences. The students of undergraduate and Postgraduate Programmes are required to focus on conducting primary and secondary research and get the same published in peer reviewed journals.

Under the able guidance of Principal Dr. Aftab Anwar Shaikh, Vice-principal Prof. Iqbal Shaikh and Head Department of Zoology Dr. Mujeeb Shaikh, the Department of Zoology, AKIs Poona College of Art's Science and Commerce Camp, Pune has organized an expert talk on 'Freshwater Zoology'. The said expert talk was organized for the Undergraduate & Post-graduate students of Zoology students on Wednesday, 16th October, 2019. Fifty eight (58) students participated in this talk.

This expert talk was organized with the objective that, the students will be able to learn about the freshwater zooplankton diversity & taxonomy. They will also understand the significance of freshwater ecosystem & its conservation. The main objective of organizing this talk is, to make students aware about the current status of freshwater zooplanktons & avenues available for research in the field of freshwater zoology. To achieve the objective of the program lecture (by PowerPoint) followed by Q & A session methodology was used.

For this expert talk **Dr. Sameer M. Padhye (Postdoctoral Researcher) from Department of Biology, Katholieke Universiteit Leuven – Belgium** worked as a resource person and delivered wonderful talk on Zooplanktons from Freshwater. During his talk Dr. Sameer gave the detailed information about the local and global diversity of freshwater zooplankton, their current status and also thrown a light on their ecological importance. He also shared his experiences as a researcher in this field. He motivated the students to pursue a career as a 'Researcher' in the field of freshwater zoology. He also provided the detailed information about the career opportunities & avenues available in the field of freshwater zoology.

For the smooth and successful conduct of expert talk Dr. Mujeeb Shaikh, Dr. Kalim Shaikh, Mr. Wasim Shaikh, Ms. Anjum M. Pathan & Ms. Sabeha Kowsar Nadaf took great efforts. This expert talk was coordinated by Mr. Wasim Shaikh.
