Course Preamble

Germany is the country that amuses the planet with innovations in automation, cars, and other technologies. The German Language has led to dive deep into the ocean of knowledge i.e. there are classics of literature, music, philosophy and social writing by great German believers. Europe becoming an exporter and biggest economy has increased the value of this vocabulary even more from a business perspective. One way to get into this world is through language.

It provides students and company aspirants with professional training in German language.. German Language through various actions and interaction. It helps students grasp the Language in a way that is better and to comprehend the core concepts. **German language** will provide students an opportunity for global certification in the German Language, which will be enhancing their career aspect. After completing this level students will not only learn the activities but gain insight on different aspects of the language like the **grammar, forming sentences, understanding conversations (even of the native speakers), develop your listening skills**, and further improve their ability to speak the language fluently. This course helps students in getting the leaders in the market by giving quality **German language training** where each individual has exceptional and transformative learning and living experience.

Course Objectives-

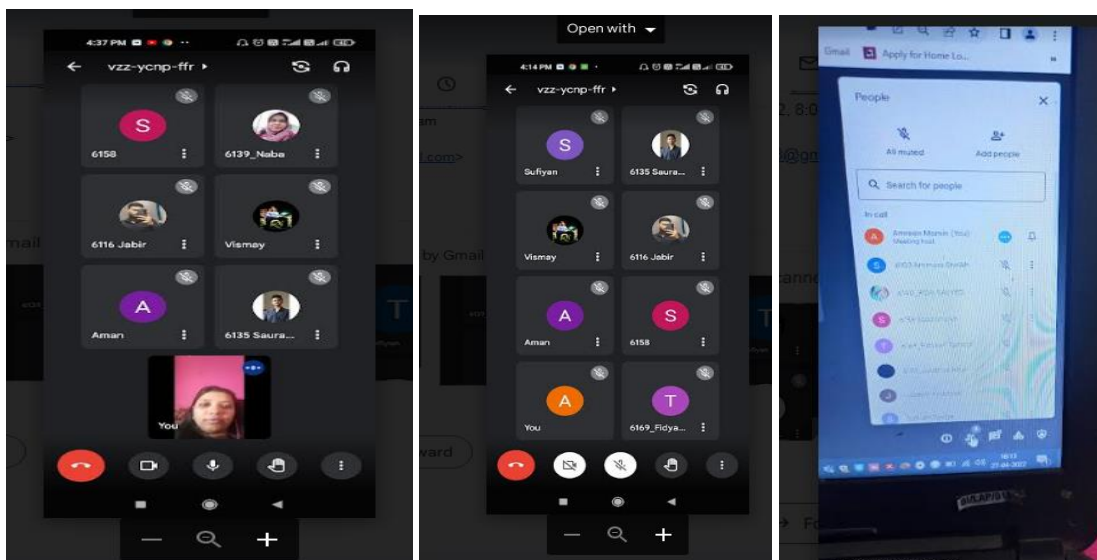

After successful completion of this course, students must be able to Demonstrate advanced proficiency in spoken and written German.

1. Demonstrate the ability to read critically, interpret analytically, speak persuasively, and write coherently about visual and literary texts produced in the German-speaking world.

2. Demonstrate familiarity with methodological approaches in the study of literary and cultural texts, such as close reading, socio-historical contextualization, and literary and cultural theory.
3. Demonstrate knowledge of literary and cultural traditions, such as major movements, writers, and works of the German-speaking world, focusing on at least one and ideally multiple traditions: European, African, Caribbean, Asian, North American, and other Francophone cultures.
4. Demonstrate the skills necessary for scholarly research and writing in German language

Keeping this in mind the Department of BBA has decided to offer add on course in German Language in collaboration with IQAC Poona College.
