DEEKSHARAMBH STUDENT

POONA COLLEGE OF ARTS, SCIENCE AND COMMERCE
CAMP PUNE

Deeksharambh Student Induction Program (SIP) is organized online by Department of BBA, BBA-CA and Bsc Computer Science of AKI's Poona College of Arts, Science and Commerce under the guidance of Principal Prof. Dr. Aftab Anwar Shaikh, Vice Principal Mr. Iqbal Shaikh, HoD of BBA-CA and In-charge HoD of BSc Computer Science Dr. Shabana Shaikh and HoD of BBA Mrs. JahanAara Pathan from 26th October to 30th October 2021. Total 266 participants were present for this event.

One of the most difficult transitions in a student's life is from high school to university/college life. When new students enter a college, they bring with them a variety of ideas, backgrounds, and preparedness. They are thrust into a strange setting, and the majority of them have no prior experience with a university or college. As a result, welcoming new students to Higher Education and preparing them for their new position is a vital duty. Most universities are currently doing very little, with the exception of a two-day orientation programme. Student Induction is intended to assist you during the process. As a result, it should be treated seriously and as more than just an orientation programme.

Objective

The objectives of the program is to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large, and nature. The time during the Induction Program is also used to rectify some critical lacunas and sensitize them towards exploring their academic interest and activities, reducing competition and making them work for excellence, build relations between teachers and students and overall personality development.
