REPORT: Celebration of International Day of the Girl Child.

Date: 11/10/2020

Objective: To recognize girls' rights and the unique challenges girls face around the world and promote girls' empowerment

11th October, 2020: On December 19, 2011, United Nations General Assembly adopted Resolution 66/170 declaring October 11 as the International Day of the Girl Child. This Day focuses attention on the need to address the challenges girls face and to promote girls' empowerment and the fulfilment of their human rights.

NSS Unit of Y&M AKI's Poona College of Arts, Science & Commerce, Pune commemorated this day by organizing a guest lecture by renowned Prof . Dr.

Shruti Tambe, Head, Department of Sociology, Savitribai Phule Pune University via ZOOM App. The theme this year is: My Voice, Our Equal Future

She spoke effectively on the rights of girls: "Adolescent girls have the right to a safe, educated, and healthy life, not only during these critical formative years, but also as they mature into women. If effectively supported during the adolescent years, girls have the potential to change the world – both as the empowered girls of today and as tomorrow's workers, entrepreneurs, mentors, household heads, political leaders and mothers. An investment in realising the power of adolescent girls upholds their rights today and promises a more equitable and prosperous future, one in which half of humanity is an equal partner in solving the problems of climate change, political conflict, economic growth, disease prevention, and global sustainability".

Principal Aftab Anwar Shaikh also shared his thoughts on access of girls to quality education and a dignified life. He said, "Girls can do anything and we all have a role in taking action to build a more peaceful and prosperous world for us all". He asked students to spread this message with friends, family, and community online!

The program ended on a positive note by the host & NSS Program Officer Dr. Aafreen A. Ahmed: “It’s time we encourage girls to pursue their dreams, uplift their self-esteem and celebrate all their talents”.

Students interacted with the speaker, some shared their experiences. This was an enlightening experience where 97 students participated online.
