**“Tree Plantation Programme at Khadakwasla,
Khanapur, Pune in collaboration with Green Thumb
N.G.O”**

Under the novel guidance, motivation and support of our Principal **Dr. Aftab Anwar Shaikh** and Vice Principal **Mr. Iqbal Shaikh** continuous in third year a mass level Tree Plantation Programme with collaboration of Green thumb N.G.O was organized at Khadakwasla, Khanapur, Pune during 28th, August to 12th September,2021 for the students of Second Year B.A, B.Com, B.Sc and B.Sc Computer Science. As per the schedule about **900 students** from different faculties along with staff members visited the said place.

The founder of NGO, **Colonel Suresh Patil** and **Mr. Thorat** gave information about different activities of NGO to our students.The members of NGO delivered the lectures on various topics related to sustainable development, water conservation, role of trees for water and soil conservation. Students were inspired by work of NGO and enthusiastically involved in the tree plantation, soil preparations, watering to plants and cleaning activities at the site of Khadakwasla Khanapur, Pune. Our students worked there along with NGO Green **Thumb** and planted more than 1000 various kinds of plants this year. Students also helped them to made soil suitable for plantation. Plantation will help in reducing soil erosion, improve the rainfall and reduce the air pollution. This healthy practice done by our college students and staff members along with GREEN THUMB N.G.O. for conservation of nature.
