Meals prepared daily; students, faculty members and alumni chip in with help

Thousands of workers from other states have been stranded in the city following the outbreak, struggling to make ends meet. With diminishing rations, many have taken to infrequent meals — their plight still not being corrected by any definitive aid. At such a time, many Good Samaritans have extended their helping hand. It includes professors along with a group of present and former students from Poona College, with the former lot donating their one day's salary to the relief fund.

College principal Aftab Shaikh planned the initiative. He stays on the campus the whole day, monitoring the process from dawn till the dusk, also takes complaints
