DETAILED REPORT

Date: 20.03.2023 to 21.03.2023

Venue: Koyna Wildlife Sancturay

No. of Participants: 23

With the able guidance and support of Principal, Dr. Aftab Anwar Shaikh, Vice Principal, Mr. Iqbal N. Shaikh Department of Zoology has conducted a two days Educational Visit to Koyna Wildlife Sanctuary, Koyan , Satara for of T.Y.B.Sc (Zoology) and M.Sc II (Zoology) students. The Visit was conducted under the responsibility of Dr. Mujeeb Shaikh (Head, Department of Zoology) accompanied by Mrs. Anjum Pathan, Ms. Shabista Shaikh, and Ms. Raniya Shaikh. A group of 23 students from UG and PG visited to the wildlife sanctuary. For the students, seeing the wild animals in their natural habitat was fascinating. The main goal of this trip was to observe wild animal behavior in their natural environment and learn about their communication techniques. Students also learned about conservation techniques include limiting human activity in key places, monitoring of endangered animals, and the value of wild animals to ecosystems. Therefore, the trip enabled the students to witness personally the rules and regulations governing wildlife conservation and get an appreciation for the value of both wildlife and the environment.

DETAILED REPORT

Educational Trip To IIT Mumbai

Department of Mathematics had organized an educational trip to IIT Mumbai, Powai on 29th April, 2023.

The HOD of the Mathematics department of IIT institute set the tone for the program which was followed by the felicitation of professors from the coordinator Dr. Amjad Shaikh head, department of Mathematics.

There was a student teacher interaction in which they discussed various career opportunity related with the field of Mathematics and Computer Science. They also discussed about different entrance exams like JAM, GATE, JEE etc. The session was very interesting and motivating and had a very beautiful interaction with JAM, Phd Scholars and PG students.

The HOD of Mathematics of IIT institute U.K Anandavardhan and professors Monika Bhattacharya & Dr. Ayan Bhattacharya guided them about various scopes and career opportunity in Mathematics.

Then we got a wonderful opportunity of visiting a massive library having numbers of various kinds on books, and easily access to e-books bounded with a lot of facilities.

Dr. Amjad Shaikh, Ms. Nida Kazi and Fareen Shaikh accompanied the trip.

Under able guidance of Principal Prof. Dr. Aftab Anwar Shaikh sir and Vice- Principal Science faculty Dr. Iqbal Shaikh an Educational trip to "Industrial Machinery, Tools and Technology Expo" at Hosur, Tamil Nadu was organized from 15 to 18 March 2023

29 B.Sc.(Computer Science) students and 4 teachers were participated in exhibition.

Hosur is Asia's largest industrial hub. 200+ India's leading companies of international trade from diverse sectors such as Electronics- Solar Energy, Mechanical, Chemical, Instrumentation, Oil and gas, Pipes manufacturing etc. were displayed their products and services.

Jaguar, CRIS group of Companies, S K polymers, Orb energy, Galaxy Automation, Starvish Mechatronics, VEL machines(it manufactures heavy duty, High precision, all geared Lathe Machine)....just few are mentioned here....

Many companies provides machinery to manufacturing industries....

Students interacted with the representatives of many companies with the objectives-

1. Knowing the business of company
2. Business opportunities either by -establishing own manufacturing unit, dealership or service center.

It was the great exposure, great learning experience.

At the outset, I thank to the Almighty for his continuous help and protection (it was raining after every time we reached our destination).I sincerely thank to Principal sir for his motivation, guidance and support in organizing this trip. I thanks to Dr. Shabana Shaikh, Head, department of Computer Science for her support and co-operation for the visit. I thank to Musharraf Hussain sir, Zameer sir (English), Mushtaque sir and Qais sir for their co-operation in making the visit successful. I thank to the student participants for the obedience and discipline they have maintained to make the trip a great joyous experience.

REPORT

The visit to Pratapgarrh fort was undertaken as a part of extracurricular activity and an exercise in educational tour. The purpose was to acquaint students with symbols and remnants of our history and culture and Marathas being an essential part of this region, it was all the more necessary to have students take a glimpse into their history and culture. Essentially speaking these kind of visits also provide an understanding of how the people were living their lives, what dangers they were facing and how the people lived in those times.

DESCRIPTIVE REPORT ON *VISIT TO VIGYAN ASHRAM AT PABAL*

The *Visit to Vigyan Ashram* was undertaken by the Department of English and Postgraduate Center under the chaperonage of Mr. Zameer Salim Sayyed and Mr. Asif Khan, the Coordinators of the field-visit. The objective was to make students familiar with an alternative education system (*Learning by hand*) developed at Vigyan Ashram and thereby motivate students to continue their education in the field of their interest with the conviction that they will be useful for the society they are part of.

On Board:

Thirty students along with three staff members boarded the bus to visit the Vigyan Ashram located in Pabal (60kms away from Poona College) to know and understand education of a different kind – without blackboards and books. The bus left for the destination at 08:45am and reached the Theatre Hall at Vigyan Ashram around 11:00am.

The Vigyan Ashram Campus: Learning while Doing

The *Ashram's* Campus seemed to be built up by the staff and students themselves. The electricity used on the campus is solely self-produced by creating and installing solar systems by the students and the staff themselves. The students interested in courses or internships are expected to stay in *Ashram*-sponsored hostel or in Pabal village till completion.

Dr. Arun Dixit:

Dr. Arun Dixit oriented, using a PowerPoint presentation, the students on how *Vigyan Ashram* focuses on imparting multi-skill training, developing a problem-solving attitude, and stimulating the intellect. Further he said that students at *Ashram* learn in real-life situations in the areas of Home-Health, Agricultural-Animal Husbandry, Engineering and Energy-environment.

DR. ARUN DIXIT
HEAD OF DESIGN INNOVATION CENTER
PhD in Chemistry, IIT Mumbai

Site- 'seeing':

During our stay for about two to three hours on campus, we wondered whether the students at Vigyan Ashram are natural innovators, excellent engineers and born entrepreneurs! Perhaps the most important takeaway from Vigyan Ashram was that the staff (instructors) there are not waiting for engineers from MIT to come and help them solve their problems. There are the students and staff who think logically about the inefficiencies in their lives, brainstorm innovative, practical solutions, and apply very effective technologies to increase their productivity.

What's most surprising for the students on board was how eagerly the learners at Vigyan Ashram look for problems so they can start working on it and find a low-cost, locally producible, and sustainable solution to the problem.

A scientist turned educationist, Late Dr. S. S. Kalbag started *Vigyan Ashram* in 1983 and said once: "My success story will be when the system runs without me". He died in 2003 and Vigyan Ashram is still running successfully by incorporating the wisdom of life, experiences, and hands-on work. Indeed, one person's experience led a structural reform in education and brought about a difference in the lives of thousands.

DESCRIPTIVE REPORT ON *EDUCATIONAL EXCURSION TO HYDERABAD*

The Arts Faculty students were taken to Hyderabad where they were exposed to Hyderabad's historical and educational importance.

This Three-day Educational Excursion from 29th of May 2023 to 01st of June 2023 was a big step for 25 students outside their routine life and comfort zone, waking up every day in the new city for fun, food, and *fine feelings*.

From enjoying the visits to the historical sites such Golconda Fort, Salarjung Museum and Charminar to educational and spiritual buildings such as Osmania University and Jama Masjid to the *fun-toosh* experience at the Snow World, the students became the part of Hyderabad city and carried with them as a parcel in the lanes of their mind the struggles and cuddles of one of the most darling-cities in India. The two pilots of this adventure Dr. Abdul Bari, Associate Professor of Urdu, and Mr. Zameer Salim Sayyed, Assistant Professor of English, were witness to how the students on board were getting transformed by the places they visited and people they met. Almost each one was joyously, serenely, and divinely aware and awakened, while exploring streets, lanes, shops, and hotels during their stay in Hyderabad.

We were all hit by sun rays, no doubt, but only to the point that our energy gets activated and remains active. *Indeed, if you ask me to sum up the journey in one sentence, then I would say:*

We lived the last four days that people write novels about.

Many thanks to *Prof. Aftab Anwar Shaikh, Prncipal, Poona College*, for granting us this opportunity. Thanks to Dr. *Abdul Bari* for enriching our experience with his vast knowledge of Hyderabad city and with his taste in food-items served in the city.

And at last, a ton of compliments to our students for being a good, disciplined, jolly, and *shayarana* company throughout the journey.

The staff and students on board to Hyderabad (29.05.2023)

REPORT ON: Exhibition on Millets

17th April, 2023: Millets have been an integral part of our diet for centuries. In addition to a plethora of health benefits, millets are also good for the environment with low water & input requirement. With the aim to create awareness and increase production & consumption of millets, United Nations, at its 75th session in March 2021, at the behest of the Government of India, declared 2023 the International Year of Millets (IYM). To commemorate this, the Gov is hosting various interactive activities around Millets & Department of Botany, Poona College, Pune, took this forward with an exhibition on millets.

17th April, 2023: Inaugural of Exhibition on Millets by Principal Dr. Aftab Anwar Shaikh and Vice Principal, Science Dr. Iqbal Shaikh in presence of staff and students of Botany.

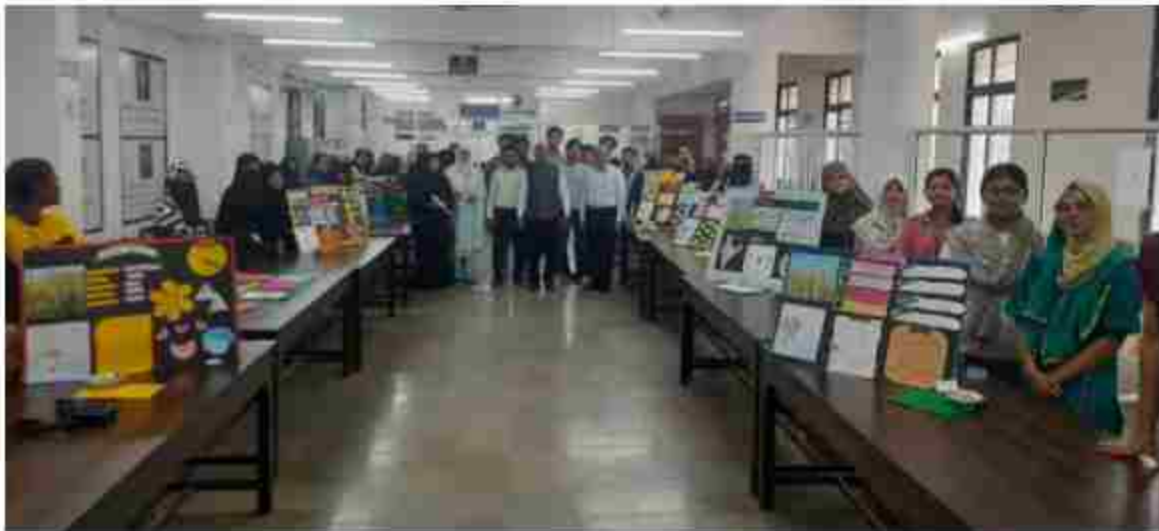

Principal Dr. Aftab Anwar Shaikh inaugurated the exhibition. He spoke on the need of such awareness programs in colleges to sensitize students on our cultural heritage. Vice Principal Dr. Iqbal Shaikh informed participants that millets can play an important role to empower smallholder farmers, achieve sustainable development, eliminate hunger, adapt to climate change, promote biodiversity, and transform agrifood systems.

Dr. Aafreen A. Ahmed, Co-ordinator of the exhibition, spoke on the importance of millets. She said that millets can grow on arid lands with minimal inputs and are resilient to changes in climate. They are therefore an ideal solution for countries to increase self-sufficiency and reduce reliance on imported cereal grains.

17th April, 2023: Students explaining health benefits of various millets grown in India.

The posters gave information on important millets such as proso, foxtail, buckwheat, finger millet, little, kodo, barnyard and pearl millet. These raised awareness of the nutritional and health benefits of millets. Teaching staff was benefitted with the information and promised to include these in diet.

17th April, 2023: Participants, Principal and staff of Department of Botany with exhibits.

The exhibits gave information on the botanical name, place of production, soil and climate requirements of each millet, their nutritional value and recipes.

17th April, 2023: All participants with Principal and staff of Department of Botany.

The take away of this exhibition was: “Millets are incredible ancestral crops with high nutritional value & this can provide decent jobs for women and youth. The revenue created can boost economic growth”.

22 students participated in the exhibition by displaying beautiful posters on millets. 59 staff and 96 students visited the exhibition to encourage participants and gain knowledge on millets.

REPORT ON: VISIT TO AGRICULTURE COLLEGE

12/04/2023: Department of Botany arranged for an educational visit to Agriculture College, Shivajinagar, Pune, for TY BSc Botany students. This visit gave students an opportunity to visit the various departments at Agriculture College and interact with the Senior staff and research students.

The main attraction was the Biofertilizer Production Unit where students were given details of production of biofertilizers, their applications and packaging. Students were given details on *Azolla* and BGA production. This also gave them an idea of entrepreneurship in the field of biofertilizer production.

12/04/2023: Students with staff at Biofertilizer Production Unit, Agriculture College, Pune.

12/04/2023: Production of biofertilizer *Azolla*

Further, students visited the Agricultural Technology Application Research Institute and Biotechnology Laboratory. They were briefed on activities at the laboratories pertaining to tissue culture and its applications in agriculture.

9 students benefitted from the visit. They were accompanied by staff members Dr. Aafreen A. Ahmed and Miss Nabila Shaikh.

12/04/2023: T.Y. B.Sc (Botany) students with college staff Dr. Aafreen A. Ahmed and Miss Nabila Shaikh at Agriculture College Campus.

REPORT ON: Workshop on Foldscope

10/03/2023: Foldscope is an optical microscope that can be assembled from simple components, including a sheet of paper and lens. This innovation is a matter of pride for Indians as it has been designed and built by an Indian Manu Prakash. His aim was to make a affordable and easy tool that any layman could own.

Department of Botany, Poona College of Arts, Science and Commerce, Pune organized a Workshop on Foldscope to give students an experience of this amazing tool. Head, Dept of Botany, C.T. Bora College, Shirur, Dr. Narayan Ghangaonkar, was the presenter of the day. He gave a brief history of the invention and then proceeded to show what a foldscope actually is, how it is assembled and used.

10/03/2023: Dr. Narayan Ghangaonkar briefing students on the assembly and use of foldscope.

10/03/2023: Dr. Narayan Ghangaonkar assembling the foldscope as demonstration to students.

His team helped students assemble the foldscope and observe microscopic structures. Students were amazed at the sight of pollen grains and stomata using the foldscope. The easy to use, highly functional foldscope indeed is an interesting and mesmerizing instrument!!!

10/03/2023: The team assembling the foldscope while students using the foldscope.

Participants were given certificates of participation. The guest was overwhelmed with the response of students and their active participation.

10/03/2023: Dr. Narayan Ghangaonkar distributing certificates of participation to students.

Report on excursion tour to Lonavala for TYBSC Botany students.

27/11/2022: Department of Botany, Poona College organized an excursion tour to Lonavala, a hill station situated about 70 kms from Pune. Being a part of the Western ghats, Lonavala is one of the hotspot for biodiversity. During the study tour, students were able to observe a variety of plants belonging to different plant groups.

27/11/2022: Collection of wild plants at Kamshet

The students were motivated to observe and collect specimens for preparation of herbarium which developed an interest in them to learn through experience. During the course of the tour they collected wild plant specimens and captured images of the rare plants. To name a few plants collected, *Riccia*, *Anthoceros*, *Polytrichum*, *Marchantia*, *Funaria*, *Adiantum*, *Polyporous* and silver fern.

DETAILED REPORT

Educational Visit to A-One Biotech, Talegaon

In charge: Dr. Aafreen A. Ahmed

No. of Beneficiaries: 33

Date: 24/11/2022

Time: 7.30 am to 5.30 pm

A-One Biotech Pvt. Ltd. Is a distributor of horti-micropropagated plants based in MIDC, Talegaon, Pune. The organization was established in 2005 by Mr. Dilip Jadhav (M.Sc., Botany) with specialization in Plant Pathology after working for Ten years with Padamjee. His hard work is seen in the various successful tie-ups he has with several renowned companies such as Reliance Group, Government Projects such as beautification of Nasik Highway and Chatrapati Shivaji Maharaj International Airport, Mumbai etc.

Horticulture Training Center (HTC), situated I the campus of National Institute of Post Harvest Technology (NIIPHT), Talegaon imparts training in production of tissue culture plants and aeroponics.

The Department of Botany arranged a visit to a horticulture industry A-One Biotech and Horticulture Training Centre (HTC), at Talegaon Dabhade, Pune for SYBSC Botany students on 24/11/2022. All reached A-One Biotech by 11.00 am. Mr. Shelke, the manager received us, gave us a brief insights into the aims and objectives of A-One Biotech, its functional outgrowth in the past few years as a leading horticulture industry. He took students around the entire Polyhouse while explaining the kinds of plants nurtured there, their importance and need in the outside world. Students enquired about irrigation facilities, fertilizers used to maintain growth and the chemical control undertaken to keep away pest and disease. Every query was answered in detail by Mr. Shelke. He trained the students for preparation of pots for vertical garden. He also explained the insights of tissue culture technique by taking the students to its unit.

The educational visit helped students experience the functioning of a duding industry- the Horticulture industry and Tissue culture industry. In all 33 students benefitted from the visit under the supervision of Dr. Aafreen Ahemd, and Dr. Rafik Shaikh

Report on: World Algae Day-Poster Competition

12th October, 2022: Every year, 12th October is celebrated as World Algae Day. The department of Botany, AKI's Poona College of Arts, Science and Commerce, Pune, celebrated this day with a Poster making Competition for the undergraduate students. The competition brought forth the creative skills of participants. Each poster highlighted the use of algae in fields of pharmaceuticals, food industry, cosmetics, paper industry, etc.

12th October, 2022: Judges interacting with participants

Judges Mr. Asif Shaikh, Assistant Professor, Abeda Inamdar Senior College, Pune, and Dr. Kalim Shaikh, Assistant Professor, Poona College, interacted with participants to encourage them and also tested their knowledge on the topics presented by them. They gave a fair list of winners and guided them during the valedictory program.

12th October, 2022: College students observing the display of posters and interacting with participants

Students who visited the display of posters got information on the scope of phycology. They were surprised at the various applications of algae in various industries. This proved to fulfil the objective of the activity.

12th October, 2022: Judges, staff and students during valedictory of World Algae Day

The program was a great success due to efforts by co-ordinator Dr. Aafreen A. Ahmed, Assistant Professor, Department of Botany, Poona College under the able guidance of I/C Head, Dr. Shafik Shaikh, co-operation from colleagues Dr. Rafik

Shaikh and Miss. Nabila Shaikh. The competition was backed by Principal Dr. Aftab Anwar Shaikh and Vice Principal Science Dr. Iqbal Shaikh. In all, 37 participants enrolled for the competition and displayed their skills, where 22 participants were from other colleges. 24 presented posters. Three prize winners were chosen. They were given cash prize and certificates. All participants received certificates of participation.

12th October, 2022: Winners of competition with judges and staff.

On

"Career Opportunities in Computational Mathematics"

Date: 19th Nov 2022

Report

Department of Mathematics has organized an expert talk on "Career opportunities in Computational Mathematics" on 19th November 2022 at 10.00 am in conference hall. The program was begun with the recitation of few verses from Holy Quran by Mr. Shoaib Shaikh, student of T.Y.B.Sc (Mathematics). Dr. Amjad Shaikh (Head, dept. of Mathematics) introduced and felicitated the guest Dr. Manish C. Agalave, Head and Assistant Professor, Dept. of Mathematics, Fergusson College (Autonomous), Pune. Dr. Manish C. Agalave delivered very informative talk and guided the participant about Career opportunities in Computational Mathematics. He focused on application of Mathematics in various branches specially Machine learning, Artificial Intelligence, Data Science and many more. He motivated the participants to cultivate the interest in using technological facilities to enhance future academically. The lecture was attended by 115 students from F.Y/S.Y/T.Y.B.Sc/B.Sc (CS) and 6 Faculty members of Mathematics Department. They were benefitted during the sessions. The vote of thanks was given by program coordinator Mrs. Munzarin Sajjan of Mathematics department and presented a small token of appreciation to our valuable guests. Mrs. Shaheen Khan has hosted this programme.

As per the feedback received from the participants it was very good learning experience, the lecture helped them in their understanding in the field of applied mathematics.

DETAILED REPORT

18th January, 2023: One-day Seminar on “ Physician and Dietician Guidance Programme: Awareness of Good Health, Diet and Hygiene “

The Department of Bachelor of Vocation - Medical Lab Technology (B. Voc. - MLT) and Internal Quality Assurance Cell (IQAC) jointly organized the Institutional Level Seminar on “ Physician and Dietician Guidance Programme” and participants from all three years of B. Voc. Software Development, B. Voc. Travel Tourism & Hospitality Management (TTH&M), and B. Voc. Banking Finance Services & Insurance (BFSI).

Renowned and Director of Shatayu Hospital Dr. Vishal Bhandari has delivered a seminar on how to maintain good health in the current

situation especially for youth. He has highlighted that many disease conditions are emerging due to change in the lifestyle of the young generation and how everybody can cope-up with the emerging changes. He has given brief insights to students how they can take precautions against acute and chronic diseases. Additionally, he has suggested to students that they can voluntarily inculcate their interest in social awareness of dreaded diseases. Famous Dietician Dr. Dhanshree Nahta has briefed important points about daily nutritional requirements among youth especially growing age, girls and pregnant women. She has suggested how to maintain nutritional requirements in our day-to-day life. In the current scenario, many IT field professionals and in-house employees are unable to perform daily exercise and are badly suffering from many nutritional deficiencies. She has given a brief account on diet plan adjustment and transformation processes of patients who are lacking nutrients.

Honorable Principal Professor Dr. Aftab Anwar Shaikh coined and guided for the listening capability and productivity of professionals. Moreover, Sir emphasized on the horizons and strengths of B. Voc Programs and advised students to look for new avenues rather than traditional possibilities.

Total 150 students attended this seminar and appreciated the speaker's guidance. The seminar was successfully conducted under the able supervision of Dr. Shaikh Iqbal, IQAC Coordinator and Vice-Principal (Science), Mr Farooque Shaikh, Nodal Officer (B. Voc.), Dr. Vinod Parde, Coordinator of B. Voc. (MLT) and Supported by Dr. Imran Baig Mirza, Coordinator of B. Voc. Software Development (SD) and adequate support provided by Mr. Muddasar Shaikh.

DETAILED REPORT

6th – 11th March, 2023:

Six days training on “Python Language Training Program” organized by the B.Voc Software Development Department in collaboration with Global Talent Track from 06 March 2023 to 11 March 2023.

Department of B. Voc Software Development, Poona College of Arts, Science and Commerce organized Six days of training on “Python Language Training Program” from 06 March 2023 to 11 March 2023.

The training took place for the students of B.Voc Software Development. The session was conducted by Ms. Vaishnavi Malusare -Trainer from Global Talnet Track.

The program was organized under the esteemed guidance of Principal Dr. Aftab Anwar Shaikh and Vice Principal Dr. Iqbal Shaikh and the program was successfully coordinated by Dr-Imran Baig Mirza (Coordinator, B. Voc Software development) and Mr. Farooque Shaikh (Nodal Office, B. Voc), and Mr. Mudassir Shaikh helped a lot for the conduction of the session.

Total 105 students were present for this event.

The workshop curriculum covered a range of topics, starting from the basics of Python, including variables, data types, and control structures, to more advanced concepts such as functions, modules, and object-oriented programming. Participants were engaged in hands-on exercises and projects to apply their learning in real-world scenarios. The activities included creating web applications, data analysis scripts, and automation tools using Python.

By the end of the workshop, participants exhibited a significant improvement in their understanding of Python programming. They developed proficiency in writing Python scripts, demonstrated enhanced problem-solving abilities, and gained practical experience in developing applications using Python. Participants also acquired familiarity with industry-standard coding practices, ensuring the production of clean, efficient, and maintainable code.

Overall, the six-day Python Language Training Workshop effectively fulfilled its objectives, providing participants with a strong foundation in Python programming and empowering them to leverage the language for diverse applications. To further enhance future workshops, it is recommended to incorporate more advanced topics, industry-specific case studies, and additional practical assignments to cater to participants' varying skill levels and interests.

DETAILED REPORT

16th – 17th January, 2023:

Two days training on “Barclay’s LifeSkills Programme” organized by the B.Voc Department in collaboration with Rubicon from 16 January 2023 to 17 January 2023.

Department of B. Voc, Poona College of Arts, Science and Commerce organized Two days of training on “Barclay’s LifeSkills Programme” from 16 January 2023 to 17 January 2023.

The training took place for the students of B. Voc Software Development/Medical Lab Technology/ Tours and Travel Management/Banking and Finance Services and Insurance.

The session was conducted by Ms. Snehal Rede -Trainer from Rubicon

The program was organized under the able guidance of Principal Dr. Aftab Anwar Shaikh and Vice Principal Dr. Iqbal Shaikh and the program was successfully coordinated by Dr-Imran Baig Mirza (Coordinator, B. Voc Software development) and Mr. Farooque Shaikh (Nodal Office, B. Voc).

Dr. Vinod Parde (Coordinator, B. Voc Medical Lab Technology), Dr. Gulnawaz Usmani, and Mr. Mudassir Shaikh helped a lot for the conduction of the session.

Total 105 students were present for this event.

The LifeSkills programme is an initiative by Barclays to create pathways for vulnerable people –those who lack experience and confidence, individuals with fewer educational qualifications, or those with care requirements or disabilities.

The programme supports them in developing soft skills, technical skills, connections, and opportunities needed to secure permanent employment across industries.

The main aim was to develop confidence in students and improve their communication skills.
