DESCRIPTIVE REPORT

As per the University letter, to celebrate 75th anniversary of Indian independence 'Har Ghar Tiranga' activity was organized. The phrase "Har Ghar Tiranga" encapsulated a powerful sentiment that aims to foster a deep sense of patriotism and national pride among the citizens of a country, particularly in India where it is commonly used.

"Har Ghar Tiranga" emphasized the idea of unity in diversity, where every household regardless of caste, creed, religion, or socio-economic status is encouraged to embrace their national identity. It aimed to transcend barriers and foster a collective sense of belonging among all citizens to the nation, reinforcing the idea that the flag represents each individual's connection to the larger community and the country as a whole.

By advocating for every household to display the national flag, the phrase promoted patriotism and instilled a sense of pride in one's country. It served as a reminder of the sacrifices made by freedom fighters and served to honor their legacy by cherishing the national emblem. Encouraging citizens to fly the flag demonstrated a commitment to the nation's ideals and values, fostering a spirit of loyalty and dedication towards its welfare and progress.

"Har Ghar Tiranga" is often echoed during national events and festivals such as Independence Day (August 15th) and Republic Day (January 26th) in India. During these occasions, citizens are encouraged to adorn their homes, offices and public spaces with the national flag as a mark of celebration and reverence for the country's achievements and heritage.

The phrase served as an educational tool, especially for younger generations, instilling in them a sense of civic responsibility and national duty from an early age. It inspired individuals to actively participate in nation-building activities and contribute positively to the progress and development of their country.

Total 18 students along with College authorities and faculty members actively participated in the programme. "Har Ghar Tiranga" encapsulated the essence of patriotism, unity, and national pride. It is a rallying cry for every citizen to embrace their national identity, uphold the values enshrined in the flag, and work towards the collective welfare and prosperity of the nation.

DESCRIPTIVE REPORT

"Meri Mati Mera Desh" (My Soil, My Country) programme was conducted in the College Garden on 13th August, 2024 from 10.00 am to 5.00 pm. It is a comprehensive nationwide campaign that encapsulates the essence of environmental stewardship and national pride in India. Initiated by the government in collaboration with various non-governmental organizations (NGOs), environmental groups, and grassroots movements, this campaign aims to foster a deep-seated connection between the citizens and the land they inhabit. At its core, "Meri Mati Mera Desh" seeks to raise awareness about the critical importance of preserving and nurturing the environment for the well-being of the nation as a whole. It emphasizes that the soil, water, air, and natural resources are not just commodities but integral components of India's identity and sustenance. Through a series of initiatives, campaigns, and educational programs, the campaign strives to instill a sense of responsibility and ownership among the populace towards their surroundings.

One of the primary focuses of the campaign is tree plantation drives. Recognizing the pivotal role of trees in combating climate change, preventing soil erosion, and enhancing biodiversity, "Meri Mati Mera Desh" encourages widespread participation in afforestation efforts. These initiatives are not only aimed at increasing green cover but also at restoring degraded ecosystems and promoting sustainable land management practices. Our college had done tree plantation at the hands of Mrs Chanda Dangi who is a social activist working for plastic free environment and in its campus. Total 17 students along with college authorities and faculty members participated in the Tree Plantation Programme.

In addition to tree plantation drives, the campaign also addresses various other environmental issues such as waste management, pollution control, and water conservation. Through community-led clean-up activities, recycling drives, and awareness campaigns, "Meri Mati Mera Desh" aims to reduce pollution levels and promote a culture of sustainability and cleanliness.

Furthermore, the campaign leverages technology and social media platforms to reach a wider audience and mobilize collective action. Online campaigns, mobile apps and social media challenges encourage individuals to pledge their commitment to environmental conservation and share their efforts with others, thereby creating a ripple effect of positive action.

Overall, "Meri Mati Mera Desh" serves as a rallying cry for every citizen to take pride in their land and contribute towards its preservation and prosperity. By fostering a deeper connection with the environment and promoting sustainable practices, the campaign aspires to create a greener, cleaner, and more resilient India for future generations to inherit.
