DETAILED REPORT

One day hands on training workshop on Basic Techniques of Bioinformatics and its Applications in Biological research

(13th February, 2024)

The one day hands on training workshop on Basic Techniques of Bioinformatics and its Applications in Biological research was organized by Department of Zoology, in association with Internal Quality Assurance Cell (IQAC) Poona College of Arts, Science and Commerce Camp, Pune for the students of B.Sc. Third year and M.Sc. I & II Zoology on 13th February, 2024.

The first session was the formal inaugural for workshop in the college conference hall. The program was started with recitation of few verses of holy Quran then the Course coordinator Dr. Kalim Shaikh explained the main objectives of the workshop and detailed the schedule of the program and activities to be carried out in the workshop. Principal Prof. (Dr) Aftab Anwar Shaikh gave welcome address and felicitated the Resource person Dr. G.H. Kathwate, from Department of Biotechnology, Savitribai Phule Pune University, Pune. Mr. Wasim Shaikh Assistant Professor in Zoology introduced the resource person. On this occasion Vice-Principal Dr. Iqbal Shaikh, Dr. Mujeeb Shaikh Head, Department of Zoology and all staff members of Department of Zoology were present. The inaugural session was followed by the introductory lecture by Dr. G.H. Kathwate on basics of bioinformatics. During this lecture speaker explained various techniques of bioinformatics and its application in biological research. The second session was the actual hands-on training and conducted by resource person Dr. G.H. Kathwate in the Computer lab. In this session expert demonstrated various techniques and solved assignments practically and participants also solved different tasks given by expert on the computer.

In the last session of course the valedictory program was organized in College Conference hall. On this occasion Prof. (Dr) Aftab Anwar Shaikh Principal of Poona College, Dr. Iqbal Shaikh Vice-Principal, Dr. Mujeeb Shaikh Head, Department of Zoology and all the staff members of Zoology department along with student participants were present. The program was started with recitation of few verses of holy Quran then some student participants also given their oral feedback and appreciated the efforts of the resource person and staff members of Zoology department for organizing this useful workshop. After this Prof. (Dr) Aftab Anwar Shaikh Principal given the presidential address. In his talk he advised that how to use the knowledge and skills gained from this workshop for the good quality research. He

also suggested to the students for study computational technology and Life Sciences together for more job opportunities. After the presidential address the participation certificates were distributed to the participants. The program was concluded with vote of thanks proposed by Mrs. Anjum Pathan Assistant Professor, Department of Zoology. The overall workshop was coordinated by Dr. Kalim Shaikh.

Subject: Permission to conduct One day Hands-on training workshop on "Basic techniques of Bioinformatics and its applications in biological research" for UG/PG Zoology students.

Respected Sir,

The Department of Zoology is planning to conduct a Hands-on training Workshop on Basic techniques of Bioinformatics and its applications in biological research on 13/02/2024. The objective of the workshop is to introduce the most important and basic concepts, methods, and tools used in bioinformatics and provide competence in computational biology by providing training in the areas of molecular biology, information technology, statistics and bioinformatics. The workshop provides hands on expertise in the essential multi-disciplinary fields of genomics, proteomics, protein engineering, metabolic pathway engineering, pharmacogenomics, discovery of new drugs and vaccines, molecular diagnostic kits, agro-biotechnology that comprise the core of bioinformatics.

We are confident that this hands-on training workshop will be a great success and will contribute significantly to the overall growth, development and practical skills of the students. We would be honoured if you could grant us your permission to proceed with the said workshop.

Thanking you,

Yours Faithfully,

Highlights

- Hands-on training on basics tools, techniques & software through practice problems and assignments.
- Certificates for all participants attending the workshop.
- Opportunity to interact with experts.
- Registration through Google form link.

Topics Covered

- Overview of drug discovery and development
- Searching and preparation of the ligand(s) for docking in chemical database
- Molecular modelling of the protein using swiss model
- Molecular docking of a ligand in Autodock 4
- Analysis and visualization of the docking results in Discovery studio visualizer.

Dear Sir,

The Post-graduate Department of Zoology in association with Internal Quality Assurance Cell (IQAC) organizes one day Hands-on training workshop on "Basic techniques of Bioinformatics and its applications in biological research" on February 13, 2024 for the UG and PG Zoology students. It gives us immense pleasure to invite you to be the resource person for said workshop. It would indeed be a pleasure for our students to learn the basic techniques of Bioinformatics and its application in biological research from your expertise.

We very much look forward to hearing from you and hope that you would be willing to accept our invitation to this very important event.

Yours sincerely,

DESCRIPTIVE REPORT

The Department of English and Postgraduate Centre had organized a Visit to the Library of Gokhale Institute of Politics and Economics, Pune on 15th February, 2024 at 10.00 am. Total 17 students and three faculty members enthusiastically participated in the visit. The participants were welcomed by the Chief Librarian, Mr Nana Shewale. The entire library was explored with his guidance. He told the students about the history of the establishment of the Library and also its journey to the present times. Also Ms. Nikita, Assistant librarian helped the students to inspect the rare collection of books there. Students also got an opportunity to see well preserved reports of various Committees, Copies of Census', rare manuscripts, budgets' copies, huge collection of journals as well as gazettes. Students explored the library enthusiastically and enjoyed the knowledge feast and were thrilled to see the original copy of Indian Constitution as well. The students were accompanied by Dr Ashwini Daware, Mr Zameer Sayyed and Dr Sumariya Kacchi.

DESCRIPTIVE REPORT ON *POSTER COMPETITION* on *National Youth Day 2023* and *International Youth Day 2023*

On the auspicious occasion of *National Youth Day 2023* and *International Youth Day 2023*, the Department of English and Postgraduate Center organized a *Poster Competition* themed *Empowering Youth Towards Green Future* under the able guidance of Prof. Aftab Anwar Shaikh, Principal, Poona College of Arts, Science and Commerce. The competition aimed to engage and inspire young minds to express their creativity and concerns regarding environmental sustainability through the medium of art.

The primary objective of the *Poster Competition* was to raise awareness among youth about the importance of environmental conservation and sustainable living practices. By encouraging participants to create visually compelling posters, we aimed to stimulate dialogue and action towards building a greener future.

The theme *Empowering Youth Towards Green Future* was carefully chosen to reflect the urgent need for youth involvement in environmental protection efforts. Participants were provided with specific guidelines regarding poster size, materials, and content requirements. Emphasis was placed on originality, creativity, and relevance to the theme.

The response from youth was overwhelming, with 32 individuals submitting their artworks for consideration. The diversity of perspectives and innovative approaches showcased in the entries was truly commendable, reflecting the passion and commitment of the younger generation towards environmental sustainability.

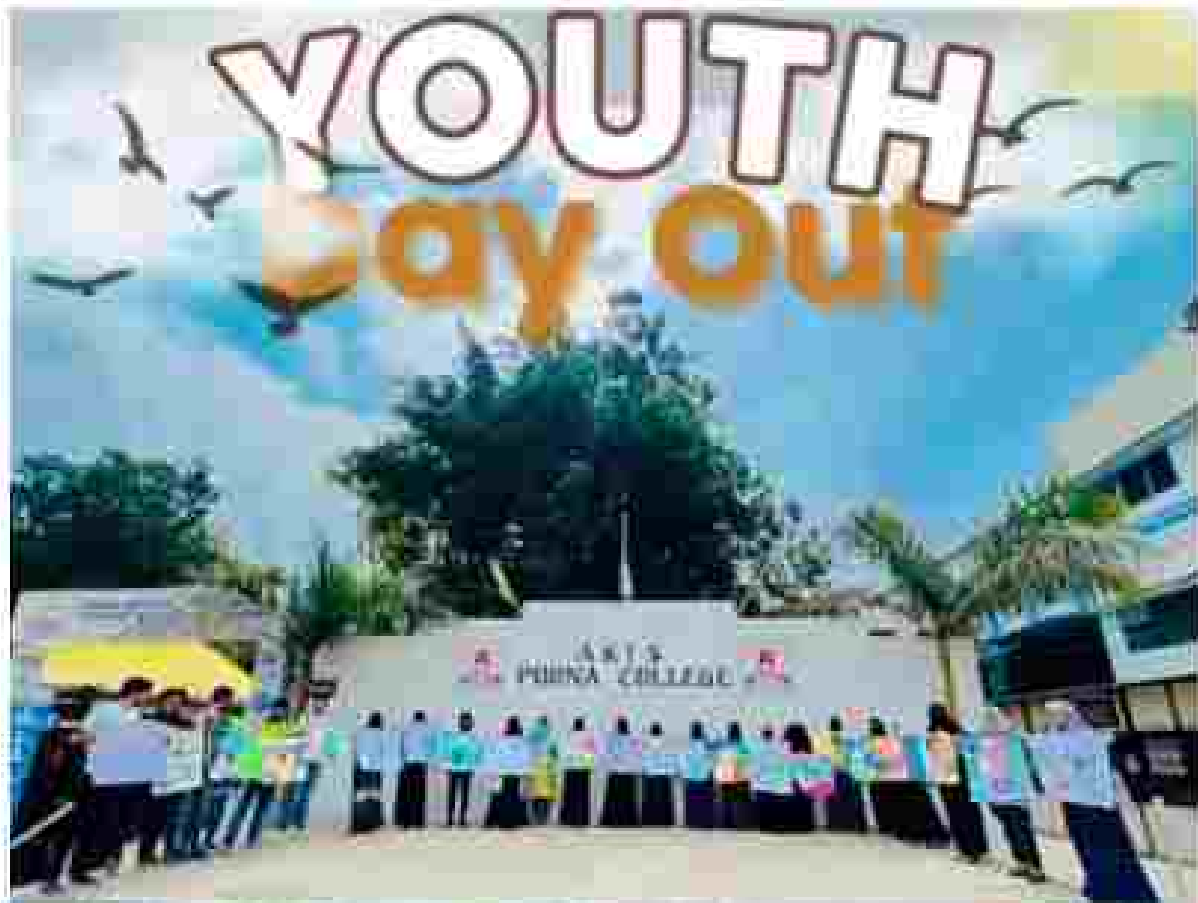

Dr. Mohammed Fazil Shareef and Ms. Swaleha Mulla, Assistant Professors from Poona College, evaluated the entries. Each poster was assessed based on criteria such as artistic merit, message clarity, relevance to the theme, and overall impact. After careful deliberation, the judging panel selected four winners whose posters best encapsulated the spirit of the competition. The announcement of winners was made on Indian Independence Day (15th of August), where winners and contestants were awarded with trophies and certificates respectively by the hands of Principal Prof. Aftab Anwar Shaikh in the presence of large gathering present for the flag hoisting ceremony. Everyone applauded the efforts and the achievements of the students for promoting environmental awareness through art.

The *Mime Competition on the theme of De-addiction: Fighting Against Drug Dependency* was organized today in College Conference Hall by the Department of English and Postgraduate Center in association with Poona College Internal Quality Assurance Cell [IQAC]. The event aimed to raise awareness about the pressing issue of drug dependency and addiction through the expressive art form of mime.

Five teams performances in total spellbound the jam-packed audience by showcasing their acting talent, conveying a powerful message about the consequences of drug abuse. The theme of the competition was very creatively interpreted by each team - a mix of emotional and thought-provoking acts. The students utilized props, costumes, and body language to depict the struggles faced by individuals battling drug addiction, as well as the strategies to come out of the mess an addiction creates in one's life. The commitment and dedication of the contestant teams were evident in their performances.

Dr. Mohd. Shakir Shaikh, Head, Department of Hindi, and Ms. Ayesha Shaikh, a teaching faculty from the Department of Commerce, adjudged the performances and appreciated the talent and potential of undergraduate students for bringing a life of a drug-addict alive on stage so to show how and at what level an(y) addiction can hamper family, social and national life. Dr. Mohd. Shakir Shaikh further said, *This Mime Competition is the very first kind of event ever organized in the history of Poona College, as much as I remember. Indeed, many more to go in future from this day onwards.*

The audience was deeply engaged throughout the competition, applauding the efforts of their college-mates. Mr. Zameer Salim Sayyed and Dr. Simran Preet Kaur, Assistant Professors in the Department of English, were the Coordinators of this competition who provided a platform to the students not only to showcase their creative talent in a form of silent drama (Mime) but also to educate and raise awareness on the adverse effects of addiction of any type among the community.

Prof. (Dr.) Aftab Anwar Shaikh, Principal of Poona College highlighted the significance of every attendant's commitment to continue the fight against drug-dependence and provide support to those in need. The event concluded on a positive note that such initiatives will contribute to a society free from the clutches of drug addiction and create a brighter future for all. To sum up, in the words of Mr. Zameer Salim Sayyed, *"We don't want the world to protect our youth from addiction, but we want to create a world where youth will need seek no protection"*.

The timely guidance and cooperation of Mr. Moynuddin Khan, Vice Principal, Poona College, Ms. Zeenat Merchant, Head, Department of English, and Dr. Ashwini Purude, Assistant Professor of English, was duly acknowledged by the coordinators.

DESCRIPTIVE REPORT ON '*MASTERING THE ART OF WRITING RESEARCH PAPER AND PUBLICATION*' *A Two-Day National Seminar (Online)*

Paving Excellence: Poona College Triumphs with a Two-Day National Seminar on 'Mastering the Art of Writing Research Paper and Publication'

The Poona College of Arts, Science, and Commerce successfully organized a Two-Day (16th and 17th January 2024) National (Online) Seminar on *Mastering the Art of Writing Research Paper and Publication*. This event, organized by the Department of English and Postgraduate Center in association with Poona College Internal Quality Assurance Cell [IQAC], aimed at providing valuable insights into the complexities involved in creating and publishing high-quality research papers. About **170 delegates** hailing from the different parts of the nation participated enthusiastically in this national event and showed their commitment to, and thirst for, improving academic expression and take research skills to the next level.

Distinguished speakers, each one an authority in a key aspect of academic writing, significantly enhanced the intellectual caliber of the Seminar. The First Session entitled

Crafting a Comprehensive Research Paper: Structure and Strategies was led by Dr. Akriti Gupta, Assistant Professor in Management, Chandigarh University, Punjab. During this session, Dr. Gupta, an expert in the field, explored the intricate process of constructing a robust research paper. She shared invaluable insights regarding the essential structural components and strategic approaches necessary for crafting a comprehensive and impactful research paper.

During the second session, Dr. Parul Priya, Assistant Professor in English, Abal University, Bhatinda, offered guidance in the seminar titled *Navigating Research Excellence: From Topic Selection to Plagiarism-Free Manuscript Writing*. She led participants through the crucial steps of selecting a research topic and ensuring the integrity of their manuscripts. Dr. Priya, with her expertise, shed light on the journey of research writing, underscoring the significance of ethical writing practices and the avoidance of plagiarism.

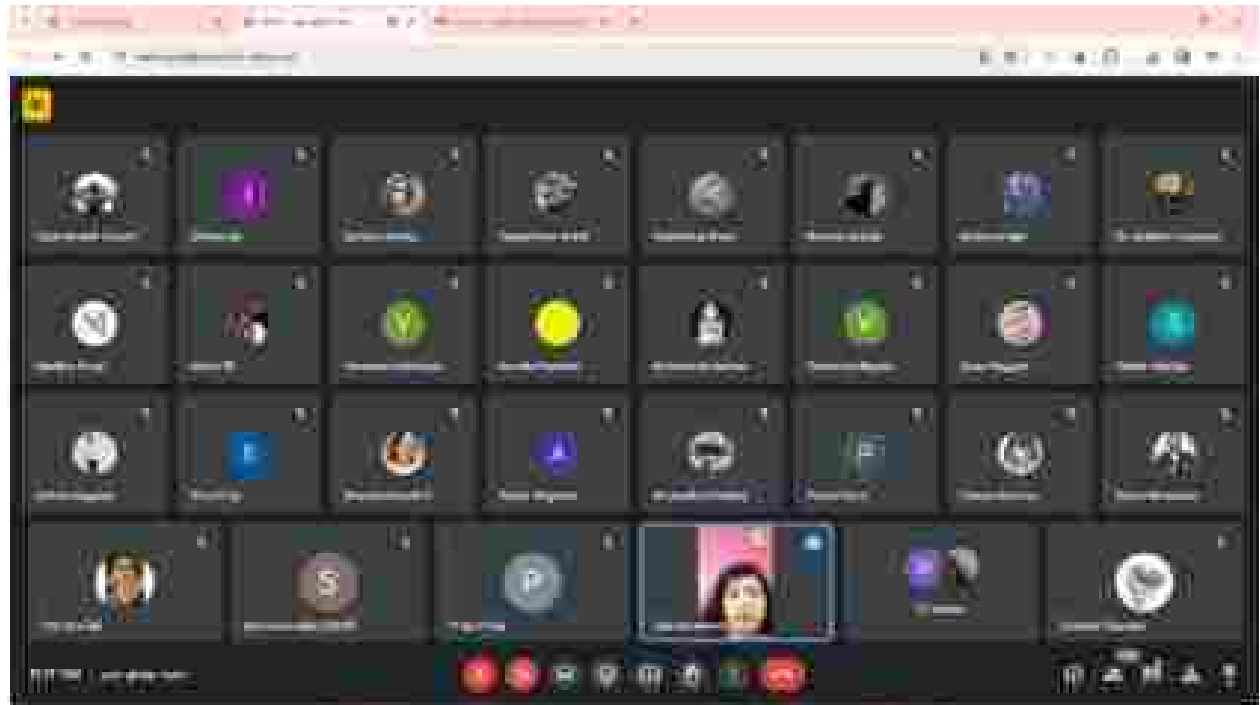

The Second Day of the Seminar began with the session entitled *Critique to Creation: Exploring the Properties of Referencing and Citation*. In it, Dr. Simranjyot Kaur, Lecturer in English, Government Degree College, Rajkot, conducted a meticulous examination of key aspects related to referencing and citation in academic writing. With a sharp focus on the subtleties of proper citation practices, Dr. Kaur's expertise guided participants in understanding how effective referencing enhances the credibility and authenticity of scholarly work.

Dr. Devika Sharma, SMVD University, Government Degree College, Rajkot, shared her expertise on language data collection in her session entitled *Methodological Insights into Language Data Collection*. The participants from all over India gained valuable insights into the intricacies of gathering language data for research purposes, as Dr. Sharma explored methodological approaches, providing a comprehensive understanding of essential tools and techniques for effective data collection.

The Valedictory Session, led by Dr. Simran Preet Kaur, Visiting Faculty (English), University of Ladakh (Kargil Campus), focused on *Decoding the Research Paper Publication Process*. Dr. Kaur offered a comprehensive roadmap for researchers to navigate challenges in the publication process, covering key stages from manuscript submission to review and publication. The sessions, curated by esteemed speakers, significantly contributed to the participants' skill development in academic writing and research dissemination.

Mr. Zameer Sayeed, Assistant Professor at the Department of English, Poona College, played a crucial role in coordinating the national event. The organizing committee, headed by the Poona College Principal Prof. (Dr.) Aftab Anwar Shaikh, and supported by

the Vice Principal Mr. Moinuddin Khan, and the English Department Head Ms. Zeenat Merchant ensured flawless execution of the seminar. Dr. Ashwini Daware and Dr. Sumaiya Kachhi were also an integral part of this two-day journey. Prof. (Dr.) Aftab Anwar Shaikh's unwavering support was instrumental in the successful commencement and conclusion of the seminar.

DESCRIPTIVE REPORT ON *ADVENTURE TREK TO KALSUBAI PEAK*

Kalsubai, the highest peak in Maharashtra, witnessed an extraordinary ascent by **forty students and six teachers** from Poona College. Spearheaded by Mr. Zameer Salim Sayyed, Assistant Professor of English and trek-coordinator, this expedition aimed to instill in the participants a sense of adventure and a spirit of exploration. The support and vision of Principal Prof. Aftab Anwar Shaikh were instrumental in realizing this remarkable journey, emphasizing the significance of experiential learning.

The Department of English and Postgraduate Center orchestrated this adventure trek, with Principal Prof. Aftab Anwar Shaikh providing unwavering support. Dr. Mohsin Shaikh, Dr. Gulnawaz Usmani, Dr. Wasim Shaikh, Ms. Farheen, and Ms. Shahin, esteemed faculty members from various departments, accompanied the students on this expedition. Their expertise and encouragement proved invaluable in navigating the challenging terrains of Kalsubai.

The expedition served as a platform for the student-participants to explore their inner strength, resilience, and passion for adventure. Each step towards the summit was a testament to their courage and determination. The trek not only tested physical endurance but also fostered a sense of camaraderie and perseverance among the participants.

The presence of teachers played a pivotal role throughout the journey. Dr. Mohsin Shaikh, Dr. Gulnawaz Usmani, Dr. Wasim Shaikh, Ms. Farheen, and Ms. Shahin provided guidance, patience, and unwavering support to the trekkers. Their expertise and dedication served as a guiding light, ensuring the safety and well-being of all participants. The expedition to Kairubai Peak was a transformative experience for the students and teachers of Poona College. It epitomized the spirit of adventure, resilience, and exploration. As the participants descended from the summit, they carried with them not only memories of breathtaking landscapes but also valuable lessons in teamwork, perseverance, and the boundless possibilities of experiential learning. The success of this endeavor underscores the importance of such adventurous pursuits in fostering holistic growth and personal development among students.

The students were ready to gear up at 01:00 AM on 25th of January 2023 to ascend the mountain (24.01.2024)

All were making the way in that chilly night when the temperature was just 08 degree Celsius (25.01.2024)

TO WHOMEVER IT MAY CONCERN

The Department of English and Postgraduate Center of our college has organized TWO DAY Adventure Trek to Kalsubai Peak on 24th and 25th January 2024 for the students with a belief that such an experience is integral to the holistic development of our students and contribute significantly to their learning. There are 40 students accompanied by 06 teachers (in total 46 passengers on board), the list of which is attached with this letter.

Objective:

The primary goal of this trip is to provide students with an opportunity to engage in outdoor activities, foster team spirit, and appreciate the beauty of nature. Kalsubai, being the highest peak in Western Ghats, offers a challenging yet rewarding trekking experience. It is our endeavour to create an environment that encourages physical fitness, mental resilience, and a sense of adventure among our students.

Request for Assistance and Cooperation en route:

We kindly seek your cooperation in the following aspects to ensure the success and safety of the trip:

1. Concession on transportation, stay or entry fees wherever required.
2. With the local protocols and contacts for emergency situations.

Thank you for your time, consideration, and support for our staff and students on board to Kalsubai.

DESCRIPTIVE REPORT ON *ENGWING FEST 2024*

POONA COLLEGE SOARS TO NEW HEIGHTS WITH ENGWING FEST 2024!

The *EngWing Fest 2024* emerged as a pivotal event at Poona College of Arts, Science & Commerce, Camp, Pune, offering a dynamic platform for students to engage in diverse competitions and activities. The fest, orchestrated by the Department of English & Postgraduate Center under the chaperonage of Mr. Zameer Salim Sayyed and Dr. Ashwini Daware, unfolded with nine distinctive competitions, including *Cosplay*, *Comedy Machine*, *Stand-up Comedy*, *RJ Hunt*, *Music Chair with a Dare*, *Memory Game*, *Sing Along*, and *Follow the Prompt*. These competitions not only fostered creativity but also provided a novel avenue for educational fun.

This Two-day fest (04th & 05th March 2024) commenced with participants immersing themselves in the realm of *cosplay*, embodying characters from fictional and historical sources. Subsequently, the *comedy machine* and *stand-up comedy* segments elicited laughter and amusement from the audience, showcasing the wit and humor of the participants. The *RJ Hunt* facilitated the discovery of budding radio personalities, while the *music chair with a dare* injected spontaneity into the traditional game, elevating the entertainment quotient. Mr. Moinuddin Khan, Vice Principal, Poona College, appreciated all contestants for their creativity and linguistic acumen. Ms. Zeenat Merchant, Head, Department of English & Postgraduate Center, spelt the theme of the *EngWing Fest 2024*.

The fest also featured intellectually stimulating competitions such as the *memory game* and *singing contest*, challenging participants to showcase their cognitive abilities and vocal talents, respectively. Additionally, the *Follow the Prompt* challenge encouraged quick thinking and observational skills among participants.

Throughout the event, the enthusiasm and camaraderie among participants were palpable, creating an atmosphere of shared excitement and mutual appreciation. Students from all streams of our college united to celebrate their talents and interests, forging new connections and fostering a sense of community. A total of **93 entries and 20** prize-winning performances were witnessed by the audience. The *Prize Distribution Ceremony* was scheduled on 11th of March 2024. Prof. Aftab Anwar Shaikh, Principal of Poona College, addressed the gathering and all the contestants of *EngWing Fest 2024* on the occasion. He emphasized the need to monetize their talent and using it in the service of parents, people, and planet.

DETAILED REPORT

Department of BBA – CA

Date: 15th September 2023

Time: 10:00 AM Onwards

Conducted by: Mr. Mohammad Jamal from Launched Edmoor

Class: FYBBA - CA

Participants: 58

Department of Computer Application organized Guest Lecture on Importance of English communication under the guidance of Principal Prof. Dr. Aftab Anwar Shaikh.

The session commenced with an introduction of Guest by Mrs. Shabeens Khan.

The guest speaker, Mr. Jamal, brought a wealth of knowledge and experience to the discussion, shedding light on the pivotal role English communication plays in our personal and professional lives.

The guest lecture on the importance of English communication underscored the vital role that English plays in our interconnected world. It is not just a language but a key skill that can unlock numerous opportunities for personal and professional growth. As students and professionals, it is imperative that we invest in improving our English communication skills to thrive in a globalized society.

The lecture served as a reminder that English proficiency is not just a choice but a necessity in today's world, enabling individuals to bridge gaps, access knowledge, and achieve their aspirations on a global scale.

English communication is not just a valuable skill; it's often a necessity in today's interconnected world. It provides access to opportunities, information, and experiences that can significantly impact both personal and professional life. Whether for business, education, travel, or cultural exchange, English serves as a vital bridge for effective communication. In many industries and professions, proficiency in English is a key requirement. It can be a decisive factor in career growth and opportunities.

Report on Soft Skill Training & Placement Activity for Internship

The Department of BBA-CA & IQAC of Poona College of Arts, Science & Commerce, in collaboration with the Magic Bus Pune, successfully organized the Soft Skill Training & Placement Activity for Internship under BBA-CA Fest for BBA-CA Students on February 26, 2024 To March 02, 2024.

The inaugural session, graced by Chief Guest Prof. Dr. Aftab Anwar Shaikh Principal Poona College of Arts, Science and Commerce, featured an enlightening address focusing on effective Communication and personality ethics which is necessary in IT industry. The primary objective of this initiative was to equip students with essential soft skills, thereby enhancing their employability and preparing them for successful internships and future careers.

The training program spanned over one week, from Feb 26, 2024, to March 02, 2024. A total of 60 BBA CA students of Poona College participated in this training Program. The sessions were conducted by experienced trainers from Magic Bus Pune, who specialize in soft skills development and career readiness.

The training program was divided into several key modules, each focusing on different aspects of soft skills and career preparation.

- Communication Skills
- Interpersonal Skills
- Professional Etiquette

- Resume Writing and Interview Preparation
- Career Planning
- Placement Activity

A dedicated placement activity was conducted to facilitate internship opportunities for the students. Magic Bus Pune collaborated with various companies and organizations to secure internship positions for the students. On-campus placement drives were organized where students could interact with recruiters, attend interviews, and secure internships. Individual counseling sessions were provided to guide students in choosing the right career path and preparing for their roles.

The Soft Skill Training & Placement Activity conducted by Magic Bus Pune for the BBA CA students of Poona College of Arts, Science, and Commerce was a resounding success. It not only equipped students with essential soft skills but also provided them with valuable internship opportunities, thereby bridging the gap between academic learning and professional expectations. This initiative has set a strong foundation for the students' future careers, contributing to their overall growth and development.

Health Camp for Check-Up of CBC

Under the able guidance of Principal Dr. Aftab Anwar Shaikh and Vice Principal Dr. Iqbal N. Shaikh, the Department of Computer Science in association with B.VOC.MLT orchestrated a health check-up camp focused on CBC (Haemoglobin) examinations, for B.Sc(CS) girls at the MLT Lab on 9th September 2023.

The primary aim of this event was to raise health awareness, particularly among girls. B.Voc MLT students were entrusted with the responsibilities of both blood collection and processing the collected samples. Additionally, volunteers from SYBVOC MLT conducted eye screenings for all participants.

Honorable Principal Dr. Aftab Anwar Shaikh inaugurated the MLT Lab

A report on Guest Lecture Mental Health and Wellness Program

Department of Commerce, PG and Research Centre had organized a guest lecture on mental health and wellness program for girls, along with safety and defense measures, under the guidance of Hon Principal Dr Aftab Anwar Shaikh and Head of the Department Dr. Nasrin Khan for BCOM students on 19th March 2024 at 10am in Conference Hall.

The Rotary Club of Pune Amanora team graciously served as our esteemed guests during the event, contributing valuable insights and expertise. Their presence enriched the occasion, fostering meaningful discussions and strengthening our collective commitment to community service and well-being.

The speaker, delved into various facets of mental health, emphasizing its significance in adolescent girls' lives. Addressing prevalent issues such as stress, anxiety, and self-esteem, the lecture offered invaluable guidance on coping mechanisms and seeking professional support. Furthermore, the session seamlessly transitioned into safety and defense measures, empowering girls with crucial knowledge on self-protection. Practical demonstrations and interactive discussions heightened engagement, fostering a safe and inclusive environment.

Students gained proficiency in self-defense techniques, situational awareness, and emergency protocols, bolstering their confidence and resilience. The event not only raised awareness but also fostered a supportive community committed to prioritizing mental well-being and personal safety.

The team effectively captured the attention and interest of the participants, ensuring that they were actively involved and invested in the learning process. In conclusion, the inclusion of quizzes and other exciting activities in the guest lecture on mental health and wellness program for girls, alongside safety and defense measures, added a dynamic and interactive dimension to the event.

By addressing both psychological and physical aspects of well-being, the session equipped girls with the necessary tools and knowledge to navigate life's challenges confidently and prioritize their overall health and safety.

The lecture provided a platform for meaningful dialogue and collaboration among students, academics, and practitioners, emphasizing the importance of collective efforts in addressing issues regarding girls safety.

A report on Entrepreneurship Development Program (EDP)

Introduction

Entrepreneurship plays a vital role in economic growth, job creation, and innovation. To foster a culture of entrepreneurship, many organizations and institutions implement Entrepreneurship Development Programs (EDPs). This report outlines the objectives, structure, activities, outcomes, and recommendations based on a recent EDP.

Objectives of the Program

The primary objectives of the EDP included:

1. **Skill Development:** Equip participants with essential business skills, including financial management, marketing, and operations.
2. **Business Planning:** Guide participants in developing comprehensive business plans for their startup ideas.
3. **Networking Opportunities:** Create connections between aspiring entrepreneurs, industry experts, and potential investors.
4. **Mentorship:** Provide ongoing support through mentorship from experienced entrepreneurs and business professionals.
5. **Access to Resources:** Facilitate access to funding sources, business development resources, and market research.

Structure of the Program

The EDP was structured over a three-month period and consisted of the following components:

1. **Workshops:** Weekly workshops covering topics such as business ideation, market analysis, financial literacy, and digital marketing.
2. **Guest Lectures:** Monthly sessions featuring successful entrepreneurs who shared their experiences and insights.
3. **Mentorship Sessions:** Bi-weekly one-on-one sessions with assigned mentors to discuss progress and challenges.
4. **Business Plan Competition:** A culminating event where participants presented their business plans to a panel of judges for feedback and potential funding.

Activities Undertaken

The program was designed to be interactive and practical. Key activities included:

- **Market Research Exercises:** Participants conducted surveys and interviews to understand their target market better.
- **Financial Modeling Workshops:** Hands-on sessions where participants learned to create financial projections and budgets.

- **Pitch Preparation:** Training on how to effectively pitch their business ideas, focusing on storytelling and presentation skills.
- **Networking Events:** Informal gatherings that allowed participants to meet local business leaders and fellow entrepreneurs.

Outcomes of the Program

The EDP yielded several positive outcomes:

1. **Skill Enhancement:** Participants reported significant improvements in their business acumen, particularly in areas like financial management and marketing strategies.
2. **Business Plan Development:** Over 30% of participants successfully developed and presented viable business plans, with many expressing confidence in their feasibility.
3. **Networking:** Participants formed valuable connections, with several collaborating on projects or sharing resources post-program.
4. **Funding Opportunities:** A few participants secured initial funding from investors present at the final pitch competition, showcasing the program's effectiveness in bridging gaps between entrepreneurs and financial backers.
5. **Increased Motivation:** Feedback indicated a boost in motivation and self-efficacy among participants, with many expressing a renewed commitment to their entrepreneurial journeys.

Challenges Faced

While the program was largely successful, a few challenges were encountered:

- **Time Constraints:** Some participants struggled to balance program commitments with existing jobs or studies, limiting their engagement.
- **Diverse Backgrounds:** Participants came from varied educational and professional backgrounds, which sometimes made it challenging to tailor content to meet everyone's needs effectively.
- **Resource Limitations:** While access to resources was facilitated, some participants expressed a desire for more hands-on support in areas such as legal advice and business registration.

Recommendations

To enhance future EDPs, the following recommendations are proposed:

1. **Flexible Scheduling:** Offering sessions during evenings or weekends to accommodate participants' schedules could increase attendance and engagement.
2. **Customized Learning Paths:** Developing tracks tailored to participants' backgrounds and business sectors could enhance the relevance of the content.
3. **Expanded Resource Access:** Establish partnerships with legal and accounting firms to provide participants with pro bono advice or workshops.
4. **Post-Program Support:** Implementing a follow-up program or alumni network could help maintain momentum and provide ongoing support to participants.

Conclusion

The Entrepreneurship Development Program successfully achieved its objectives, fostering a supportive environment for aspiring entrepreneurs. By equipping participants with essential skills and resources, the program contributed to individual growth and potential economic impact. Continued investment in such initiatives is crucial for nurturing the entrepreneurial spirit and driving innovation in the community. With the implementation of the outlined recommendations, future EDPs can be even more impactful, ensuring a sustainable pipeline of new ventures and economic development.

A report on Swayam Sidha Young Women Conference

Introduction

On February 14th, 2024, Poona College actively participated in the 11th Young Women Conference and the 'My Best College Activity' competition, held at Sharadabai Pawar Mahila College of Arts, Science, and Commerce in Baramati, District Pune. This prestigious event brought together 1520 female students from 52 colleges across Maharashtra, fostering leadership, empowerment, and the exchange of innovative ideas. Poona College was represented by five students from the BBA and B.Com departments, accompanied by two faculty members. The conference and competition provided a valuable platform for participants to showcase their academic initiatives, leadership potential, and entrepreneurial spirit.

Objectives

- To Empower Young Women:** The event aimed to empower young women through discussions on leadership, social impact, and their role in education, society, and industry.
- To Encourage Entrepreneurial Thinking:** Through participation in the 'My Best College Activity' competition, the goal was to highlight Poona College's innovative initiatives, particularly in encouraging entrepreneurship and student-driven projects.
- To Foster Collaboration and Networking:** The conference provided an opportunity for students to interact with peers from other colleges, gaining new insights and ideas that can shape their future career paths.
- To Showcase Poona College's Innovative Practices:** The presentation of the 'Pure for Sure' brand and its organic products aimed to highlight the college's commitment to sustainability, entrepreneurship, and student-led initiatives.

Structure of the Program

The event was structured into two main components:

- The 11th Young Women Conference:**
 - This part of the event focused on discussions and presentations related to women's empowerment, leadership, social impact, and the role of women in shaping future industries and education systems.
 - Renowned speakers, including Dr. Suresh Gosavi, Vice Chancellor of SPPU, Pune, and Dr. Sushma Andhare, a social worker and feminine educator, delivered keynotes on the importance of women's participation in leadership roles and social change.
- "My Best College Activity" Competition:**
 - Poona College showcased its entrepreneurial initiatives under the BBA Department's 'Pure for Sure' brand, a project designed to promote organic products developed by students. The competition allowed students to present their initiatives on sustainable packaging, branding, and marketing, with a special focus on their newly launched organic products such as Sunehri Haldi Powder and Maharaja Tea Powder.

Activities Undertaken

1. Conference Participation:

- o The Poona College delegation engaged in various discussions on leadership, women's education, and their roles in social entrepreneurship. Students had the opportunity to interact with other participants and speakers, gaining valuable insights into how women can contribute to societal development and industry transformation.

2. Presentation in "My Best College Activity" Competition:

- o Poona College's team presented the 'Pure for Sure' initiative, emphasizing the innovative approach taken by students in creating organic products with sustainable packaging and branding.
- o The students discussed the successful completion of the 'Packaging, Branding, and Advertising' course, which led to the launch of products aimed at promoting health, wellness, and sustainability.

3. Interactive Sessions:

- o Faculty members from Poona College facilitated various interactive sessions, encouraging students to engage with the topics and deepen their understanding of the concepts discussed. The faculty also guided students through brainstorming sessions, helping them refine their presentation skills and entrepreneurial ideas.

Outcomes

1. Empowered Participants:

- o The conference provided students with valuable exposure to women leaders in education, industry, and social sectors, inspiring them to pursue leadership roles and engage in initiatives that contribute to social change.

2. Successful Showcase of Innovation:

- o Poona College's presentation in the "My Best College Activity" competition was well-received, with the judges and audience appreciating the innovative approach to entrepreneurship and sustainability. The 'Pure for Sure' initiative demonstrated the college's commitment to fostering practical, real-world skills in students, particularly in the fields of branding, packaging, and product development.

3. Strengthened Faculty-Student Collaboration:

- o Faculty members played a key role in guiding students through the conference and competition, providing mentorship and support throughout the process. This strengthened the bond between faculty and students, fostering an environment of learning and growth.

4. Enhanced Networking Opportunities:

- o The event allowed students to connect with peers from other colleges, broadening their network and providing opportunities for future collaborations and knowledge exchange.

5. Positive Representation of Poona College:

- o The college's participation highlighted its entrepreneurial spirit, commitment to women's empowerment, and innovative educational practices. It reinforced Poona College's reputation as a leader in promoting student-driven initiatives and fostering leadership in young women.

Conclusion

Poona College's participation in the 11th Young Women Conference and the "My Best College Activity"

competition was an enriching experience for both students and faculty. The event not only empowered students by providing them with leadership insights and entrepreneurial opportunities but also showcased the college's commitment to promoting sustainable practices and women's empowerment in education. The experience underscored the importance of fostering innovation, leadership, and social responsibility among young women. Under the guidance of Principal Dr. Aftab Anwar Shaikh, the college continues to support its students in their growth as future leaders and changemakers. This event served as a reminder of the collective strength of women in shaping a better tomorrow and highlighted Poona College's dedication to nurturing young talent and promoting social impact.

Students Interacting with Dr Hanif Lakdawala

Introduction:

The final year students of Poona College of Arts, Science, and Commerce are at a critical juncture in their academic careers, where decisions made today will shape their future careers. To support these students in making informed decisions, the college organized a comprehensive Career Guidance Session on 27th January 2024. The session aimed to provide valuable insights into career options, industry trends, higher education, job search strategies, and the essential skills needed to succeed in the professional world.

The session was conducted by Dr. Hanif Lakdawala, a seasoned career consultant with extensive experience in guiding students toward successful careers. Through this session, students gained knowledge on various career paths, self-assessment techniques, and actionable strategies for career advancement.

Objectives of the Career Guidance Session:

The primary objectives of the session were as follows:

1. Self-Assessment and Career Exploration:

- Help students evaluate their strengths, skills, and career interests through interactive exercises.
- Introduce students to a wide range of career options and paths that align with their academic background.

2. Industry Awareness and Job Market Trends:

- Inform students about the current trends in the job market, emerging industries, and in-demand skills.
- Provide insights into specific sectors such as business, technology, marketing, healthcare, and finance.

3. Post-Graduation and Higher Education:

- Guide students on post-graduation options, such as further studies (e.g., MBA, specialized diplomas, certifications).
- Help students decide whether to enter the job market directly or pursue higher education.

4. Resume Building and Interview Preparation:

- Equip students with the tools to create impactful resumes and cover letters.
- Provide interview tips and mock interview opportunities to help students prepare for job interviews effectively.

5. Networking and Professional Skills Development:

- Discuss the importance of networking and building professional relationships.
- Highlight the significance of soft skills such as communication, leadership, and problem-solving in career success.

6. Career Goal Setting:

- Guide students in setting clear, achievable career goals and creating action plans for their future careers.
- Encourage students to set both short-term and long-term career milestones.

Structure of the Session:

The session was designed to be highly interactive and informative, with a focus on student participation. The structure was as follows:

- 1. Introduction to Career Planning (15 minutes):**
 - Overview of the session's objectives and the importance of career planning.
 - Icebreaker activity to engage students and get them thinking about their career aspirations.
- 2. Self-Assessment and Career Exploration (30 minutes):**
 - Interactive self-assessment activity where students completed a questionnaire to identify their strengths, weaknesses, and career interests.
 - Group discussion to help students analyze their results and reflect on potential career paths.
- 3. Industry Trends and Job Market Overview (20 minutes):**
 - Presentation on the current job market trends, with a focus on the most promising sectors (business, technology, healthcare, etc.).
 - Discussion of key skills in demand and how students can align their studies and extracurricular activities to meet those demands.
- 4. Post-Graduation and Higher Education Insights (20 minutes):**
 - Discussion on higher education options, including MBA programs, specialized diplomas, certifications, and opportunities for further studies abroad.
 - Pros and cons of pursuing higher education versus entering the workforce immediately after graduation.
- 5. Resume Building and Interview Preparation (30 minutes):**
 - Step-by-step guide on building a professional resume, including tips on formatting, structuring, and tailoring resumes for specific job roles.
 - Mock interview session where Dr. Hanif Lakdawala conducted mock interviews and provided personalized feedback to students.
- 6. Networking and Professional Branding (15 minutes):**
 - Tips on using LinkedIn and other professional networking platforms to build a professional online presence.
 - Discussion on the importance of professional networking, including how to approach networking events and connect with industry leaders.
- 7. Setting Career Goals and Action Planning (20 minutes):**
 - Guidance on setting SMART career goals (Specific, Measurable, Achievable, Relevant, and Time-bound).
 - Action planning session where students were asked to break down their career goals into short-term and long-term actionable steps.
- 8. Q&A Session and Closing Remarks (10 minutes):**
 - Open floor for students to ask questions and seek clarification on any career-related concerns.
 - Dr. Lakdawala provided personalized advice to a few students, offering insights into specific career paths or challenges.

Implementation of the Session:

The session was conducted with a blend of lecture-style presentations, interactive exercises, and hands-on activities to ensure students remained engaged and actively participated in the learning process.

- **Facilitator:** Dr. Hanif Lakdawala, a career consultant with extensive experience in student mentorship, was the primary facilitator for the session. His engaging style and expertise kept the students attentive and motivated.
- **Tools and Resources:** The session included access to self-assessment tools, resume templates, career exploration guides, and tips on interview preparation. Students were also provided with a list of recommended online resources for career development.
- **Technology Used:** The session was supported by PowerPoint presentations and multimedia content to present the job market trends, industry insights, and case studies in an engaging manner. Students were also encouraged to use their smartphones or laptops to take notes and access online resources during the session.
- **Student Participation:** Students were actively involved in group discussions, mock interviews, and career planning exercises. They were encouraged to ask questions, share their aspirations, and participate in career-related decision-making processes.

Outcomes of the Career Guidance Session:

By the end of the session, several positive outcomes were observed:

1. Enhanced Self-Awareness:

- Students gained a better understanding of their personal strengths and career interests, helping them explore career paths that were more aligned with their personalities and skills.

2. Clarity on Career Options:

- Students received detailed insights into various career paths and industries, empowering them to make informed decisions about their professional journeys.

3. Improved Job Readiness:

- With the tools and strategies learned for resume building and interview preparation, students felt more confident and ready to apply for internships or full-time positions.

4. Informed Post-Graduation Decisions:

- Students were equipped with information about post-graduate options, helping them decide whether to pursue higher education or enter the workforce.

5. Strong Networking Strategies:

- Students recognized the importance of networking and personal branding. They left with a concrete strategy for building their professional networks, both online (e.g., LinkedIn) and in-person.

6. Actionable Career Goals:

- Each student left the session with a clear set of career goals and a step-by-step action plan to achieve them, making the path forward more structured and attainable.

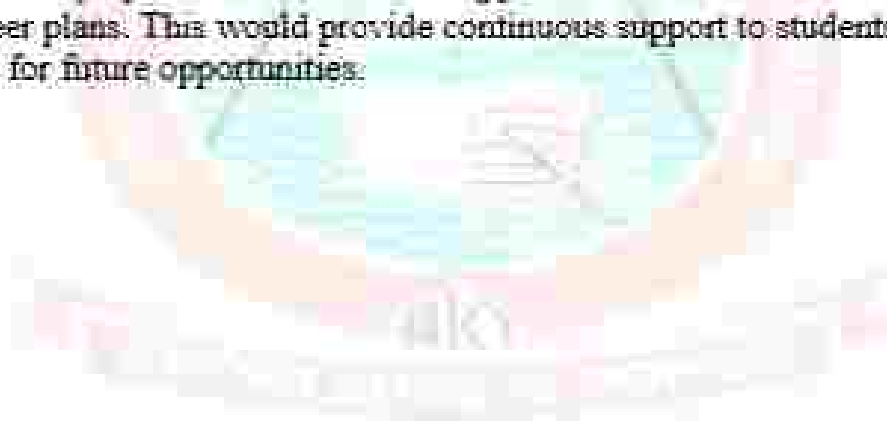

Conclusion:

The career guidance session conducted by Dr. Hanif Lakdawala at Poona College of Arts, Science, and Commerce was highly successful in achieving its objectives. Students were able to explore a range of career paths, gain valuable insights into industry trends, and develop essential professional skills.

The session not only equipped students with practical tools for job readiness but also helped them clarify their career goals and set actionable steps to achieve them. With increased awareness of their strengths, career options, and networking strategies, students are now better prepared to transition from academic life to the professional world.

Moving forward, it is recommended that similar career guidance sessions be held regularly to help students stay updated with the evolving job market and to continue refining their skills and career plans. This would provide continuous support to students, ensuring they are well-prepared for future opportunities.

Report on Educational Visit to VAMNICOM

Introduction

On October 12, 2023, a group of 103 BBA students from Poona College of Arts, Science, and Commerce, under the guidance of Principal Dr. Aftab Anwar and Vice Principal, embarked on a business exposure visit to VAMNICOM Incubation Centre in Pune. The visit was part of an ongoing effort to provide students with practical insights into the operations of leading business institutions and familiarize them with industry best practices.

VAMNICOM (Vaikunth Mehta National Institute of Cooperative Management) is a premier institute dedicated to promoting cooperative management education and fostering innovation through incubation and entrepreneurship. The visit aimed to help students bridge the gap between academic learning and real-world business environments by understanding the key strategies, operations, and challenges within a reputed organization.

Objectives of the Visit

The main objectives of the business exposure visit were:

- 1. To Understand Business Operations:**
To provide students with an understanding of how various departments of a business organization operate and the challenges they face in a competitive market.
- 2. To Gain Insights into Innovation and Strategy:**
To give students exposure to innovative projects and strategic direction that drive the growth and success of businesses like VAMNICOM.
- 3. To Explore Career Opportunities:**
To provide students with networking opportunities and expose them to potential career paths within the industry.
- 4. To Connect Theory with Practice:**
To help students connect theoretical concepts learned in the classroom with practical applications in the business world.

Structure of the Session

The visit was carefully structured to ensure that the students received maximum exposure to VAMNICOM's operations and its innovative approach to business. The key components of the visit included:

- 1. Welcome and Introduction (10:00 AM - 10:30 AM):**
Upon arrival, the students were welcomed by the VAMNICOM representatives, who provided an overview of the organization's history, mission, and core business activities. This session served as an introduction to VAMNICOM's values, goals, and key services, setting the stage for the tour that followed.
- 2. Guided Tour of Departments (10:30 AM - 12:00 PM):**
After the introductory session, the students were divided into smaller groups for a guided tour of various departments within VAMNICOM. Each group was led by a knowledgeable VAMNICOM employee who explained the roles and functions of different departments. Students had the opportunity to interact with professionals and observe how each department contributed to the overall success of the organization.
- 3. Presentations on Innovation and Future Plans (12:00 PM - 12:30 PM):**
VAMNICOM's leadership team delivered presentations on their innovative projects, sustainable initiatives, and future business plans. This session highlighted the company's commitment to technology adoption, sustainability practices, and corporate social responsibility (CSR).
- 4. Interactive Q&A and Networking Session (12:30 PM - 1:00 PM):**
The visit concluded with a Q&A session where students had the opportunity to ask questions about VAMNICOM's operations, innovative strategies, and career prospects. The session also included a networking opportunity, allowing students to interact directly with VAMNICOM employees, many of whom offered mentorship and guidance regarding potential career paths in the industry.

Implementation of the Session

The business exposure visit was successfully executed due to the careful planning and coordination between the Department of BBA, Poona College, and VAMNICOM's team. The following key elements contributed to the smooth implementation:

- Pre-Visit Briefing:**
Prior to the visit, the students were briefed on the goals of the trip and given an overview of VAMNICOM's operations. This ensured that students were well-prepared and could make the most of the visit.

- **Effective Organization of Groups:**
The students were divided into smaller groups for the guided tour, which allowed for more personalized interaction with VAMNICOM's staff and ensured that all students had the opportunity to ask questions and gain insights.
 - **Interactive Discussions and Engagement:**
During the tour and presentations, the students were encouraged to engage actively with VAMNICOM staff. The Q&A session further facilitated an exchange of ideas and provided clarity on practical aspects of business operations.
 - **Networking and Career Guidance:**
The networking session at the end of the visit allowed students to connect with professionals in the field, which may result in future mentorship or career opportunities. This was an important aspect of the visit, as it enabled students to form valuable connections.
-

Outcomes of the Visit

The business exposure visit to VAMNICOM provided the following outcomes:

1. **Practical Insights into Business Operations:**
The students gained valuable knowledge about how different departments within VAMNICOM collaborate to drive the success of the business. The exposure to various operational strategies gave students a comprehensive view of the inner workings of a large organization.
 2. **Understanding of Innovation and Strategic Growth:**
The presentations on VAMNICOM's innovative projects and future plans allowed students to appreciate the importance of continuous innovation and strategic thinking in business. The focus on technology and sustainability was particularly enlightening for the students.
 3. **Increased Awareness of Career Opportunities:**
By interacting with VAMNICOM employees, students were exposed to potential career paths in the fields of management, innovation, and entrepreneurship. This helped students identify areas of interest for future careers.
 4. **Networking and Mentorship Opportunities:**
The networking session was a significant outcome, as it allowed students to establish connections with professionals in the industry. Some students even expressed interest in seeking mentorship opportunities, which could help them as they move forward in their careers.
 5. **Linking Theory with Practice:**
The visit provided a strong connection between the theoretical concepts studied in the classroom and their practical application in the business world. This helped students understand the relevance of their academic learning and its applicability in real-world situations.

Conclusion

In conclusion, the business exposure visit to VAMNICOM proved to be an enriching experience for the 103 students who participated. The visit provided valuable insights into VAMNICOM's operations, innovative projects, and future business strategies, offering students a practical understanding of the challenges and opportunities within the business world.

Under the guidance of Principal Dr. Aftab Anwar and Vice Principal, the visit was a resounding success, fostering an environment of learning, networking, and personal growth. The insights gained from the visit are expected to contribute significantly to the academic and professional development of the students. The opportunity to interact with industry professionals, explore career paths, and engage in hands-on learning made this visit a key milestone in the students' educational journey.

This exposure visit underscores the importance of such initiatives in bridging the gap between academic knowledge and practical experience, and Poona College of Arts, Science, and Commerce remains committed to providing its students with opportunities for real-world learning.

Report on Educational Visit to COEP bhau Incubation Center

Introduction

The Entrepreneurship Ideas Session held at COEP Bhau Institute on October 13, 2023, provided an excellent platform for students to explore and discuss entrepreneurial ventures. The event was organized by Dr. Deepika Kinninge and Sonali Kamble, with the support and guidance of Principal Dr. Aftab Anwar and Vice Principal. The session aimed to inspire students by providing them with valuable insights into the world of entrepreneurship, from idea generation to the execution of business ventures. With over 60 students in attendance, the session created a lively atmosphere of collaboration, creativity, and learning.

Objectives of the Session

The primary objectives of the Entrepreneurship Ideas Session were:

- To Inspire Entrepreneurial Thinking:**
To encourage students to think creatively about business ideas and ventures, motivating them to explore the entrepreneurial path.
- To Discuss Practical Entrepreneurship Concepts:**
To introduce students to real-world concepts of entrepreneurship, such as idea validation, market research, and business planning.
- To Foster Collaboration Among Students:**
To provide a platform for students to network, share ideas, and collaborate on entrepreneurial projects with like-minded peers.
- To Share Expert Insights on Entrepreneurship:**
To offer students a chance to learn from the experiences and expertise of the organizers and understand the practical challenges and rewards of starting a business.

Structure of the Session

The session was structured to ensure maximum engagement, learning, and interaction. It was divided into three key segments:

- 1. Registration and Welcome (11:30 AM - 12:00 PM):**
Upon arrival, students registered for the session and were welcomed by the organizers. This informal gathering helped set the stage for a dynamic learning experience. The anticipation in the air was palpable as students gathered to learn about entrepreneurship.
- 2. Idea Presentation and Discussion (12:00 PM - 12:45 PM):**
The main portion of the event focused on the presentation of various entrepreneurial ideas. Dr. Deepika Kinninge and Sonali Kamble led an engaging session that covered the following topics:
 - **Idea Generation:** How to identify market gaps and create business ideas.
 - **Feasibility and Planning:** Basic steps involved in validating an idea and creating a feasible business plan.
 - **Real-life Entrepreneurial Experiences:** The organizers shared personal experiences and case studies to highlight both the challenges and successes of starting a business.
 - **Interactive Discussion:** Students were encouraged to participate, share their thoughts, and ask questions, leading to a rich and collaborative discussion.
- 3. Q&A and Networking (12:45 PM - 1:00 PM):**
The session concluded with an open Q&A segment, where students had the opportunity to ask questions and seek further clarification on the topics covered. The Q&A also served as a platform for students to gain deeper insights into specific areas of interest. Afterward, a networking session allowed students to connect with the organizers and fellow attendees, fostering relationships that could prove valuable in their entrepreneurial journeys.

Implementation of the Session

The event was executed smoothly with meticulous planning and coordination. The organizers, Dr. Deepika Kinninge and Sonali Kamble, ensured that the session was informative, engaging, and interactive. The following steps were key to the successful implementation of the session:

- **Pre-Event Coordination:**
The organizers ensured all logistical arrangements were made in advance, including venue setup, registration processes, and preparing the presentation content. Students were informed about the session well ahead of time, ensuring good attendance.
- **Interactive and Engaging Content:**
The idea presentation was designed to be both informative and interactive. The organizers used real-world examples and case studies to keep students engaged. Interactive discussions encouraged active participation, allowing students to ask questions and share their own entrepreneurial ideas.
- **Encouraging Networking:**
The networking segment was organized to give students an opportunity to interact not only with the organizers but also with each other. This fostered collaboration and allowed students to exchange ideas and insights with their peers.

- **Feedback Collection**

At the end of the session, feedback forms were distributed to attendees, gathering their thoughts and suggestions for future sessions.

Outcomes of the Session

The Entrepreneurship Ideas Session at COEP Bhau Institute successfully achieved its objectives. The key outcomes were:

1. **Enhanced Understanding of Entrepreneurship:**
Students gained a clearer understanding of the entrepreneurial process, from idea generation to business execution. The insights shared by the organizers provided a practical framework for students interested in pursuing entrepreneurial ventures.
 2. **Increased Engagement and Collaboration:**
The interactive discussions encouraged active participation. Many students expressed interest in collaborating on entrepreneurial ideas, and several peer-to-peer networks were formed during the networking session.
 3. **Inspiration to Pursue Entrepreneurial Ventures:**
Many students left the session feeling inspired to explore entrepreneurship as a career option. The real-world examples and expert advice served as a motivating factor for students to think about their own business ideas.
 4. **Positive Feedback:**
The feedback from the attendees was overwhelmingly positive. Students appreciated the organizers' efforts in creating an engaging and informative session. They highlighted the value of learning from the experiences of the speakers and the collaborative environment that was fostered.
-

Conclusion

In conclusion, the Entrepreneurship Ideas Session held at COEP Bhau Institute was a resounding success. The session provided students with a practical understanding of entrepreneurship and inspired them to think critically about starting their own ventures. The collaborative environment, expert insights, and networking opportunities left a lasting impact on the participants.

Under the guidance of Principal Dr. Aftab Ansari and Vice Principal, the session provided a valuable learning experience for the students. The efforts of Dr. Deepika Kinninge and Sonali Kamble in organizing and executing the session were commendable, and the positive feedback reflects the effectiveness of the event.

This session not only contributed to the students' entrepreneurial knowledge but also provided them with the tools and motivation to pursue their entrepreneurial aspirations. The event demonstrated the importance of such initiatives in fostering a culture of innovation and business development within academic institutions.

It is hoped that future events of this nature will continue to inspire and empower students to take the first steps toward becoming successful entrepreneurs.

REPORT ON EDUCATIONAL TOUR TO BSE AND NSE

Introduction

An educational tour was organized by the Department of Bachelor of Business Administration (BBA) of Poona College of Arts, Science, and Commerce to the Bombay Stock Exchange (BSE) and Reserve Bank of India (RBI) on 25th October 2023. The tour aimed to provide students with firsthand exposure to the workings of two crucial financial institutions that play a vital role in the economy of India.

The trip was a significant opportunity for BBA students to witness and understand the practical application of their academic studies in finance, economics, and business management. The educational tour was meticulously coordinated by Dr. Deepika Kininge and Aqueel Bajajwala, with the guidance of Principal Dr. Aftab Amwar and the Vice Principal.

Objectives

The primary objectives of the educational tour were as follows:

- 1. Understanding the Role of Financial Institutions:**
To help students comprehend the operations and functions of the Bombay Stock Exchange (BSE) and the Reserve Bank of India (RBI) in the Indian financial system.
- 2. Real-World Application of Business Knowledge:**
To bridge the gap between theoretical knowledge and its practical application in the financial markets and banking sector.
- 3. Exposure to Industry Practices:**
To provide insights into the functioning of the stock market, banking regulations, monetary policies, and how they influence the economy.
- 4. Enhancing Career Prospects:**
To inspire students to pursue careers in finance, banking, and stock market-related fields by gaining exposure to industry professionals and their roles.

5. **Interaction with Experts:**

To facilitate interaction with experts from BSE and RBI who could offer valuable insights and advice to the students regarding their career paths.

Structure of the Session

The educational tour was structured in a way to provide students with a comprehensive learning experience. The itinerary of the day was as follows:

1. **Departure from Poona College:**

The students gathered at 7:00 AM at Poona College, where they boarded buses for the journey to Bombay.

2. **Visit to the Bombay Stock Exchange (BSE):**

The first stop was the Bombay Stock Exchange. The session began with a detailed introduction to the history and functioning of the BSE, followed by an interactive presentation. Students were shown the trading floor and explained how stocks are traded, the role of brokers, and how market indices like Sensex are calculated. The session was led by an experienced BSE representative who took the students through the technological advancements in stock trading, the regulations in place, and how BSE contributes to the Indian economy.

3. **Visit to the Reserve Bank of India (RBI):**

After the BSE visit, the group proceeded to the Reserve Bank of India. The RBI's role as the central bank of India was explained in detail, covering aspects such as monetary policy, interest rates, inflation control, and regulation of commercial banks. The students were given insights into how RBI manages the currency system, safeguards financial stability, and ensures the smooth functioning of the banking sector. They were also shown artifacts and historical displays related to the RBI's evolution.

4. **Interaction with Experts:**

During both visits, students had the opportunity to interact with senior officials from both institutions. They were able to ask questions and gain a deeper understanding of the daily challenges and responsibilities faced by professionals working in the financial sector.

5. **Return to Poona College:**

After a fruitful day of learning, the students returned to Poona College, marking the conclusion of the educational tour.

Implementation of the Session

The implementation of the educational tour was carried out smoothly with active participation from both students and faculty. The logistical aspects of the tour, including transportation and timing, were well-organized by the coordinating team. The sessions at BSE and RBI were well-planned and executed, with professionals at

both institutions providing valuable information that was relevant to the students' curriculum.

The interaction with the officials and the practical demonstrations ensured that the students gained a deep understanding of the financial markets and the functioning of the RBI. This practical exposure to the real-world applications of their academic knowledge helped reinforce their learning.

Outcomes

The outcomes of the educational tour were highly positive, both in terms of academic learning and career insights. Key outcomes include:

- 1. Enhanced Understanding of Financial Markets and Banking Systems:**
Students gained a deep understanding of how the stock market operates and the regulatory framework in place to ensure its smooth functioning. The visit to RBI provided insights into monetary policy, banking regulations, and the role of RBI in stabilizing the economy.
- 2. Real-World Exposure to Financial Operations:**
The students witnessed the real-time trading activity at BSE and understood the intricacies of stock exchanges. At RBI, they learned about policy-making and its impact on the economy, which enriched their theoretical knowledge.
- 3. Improved Career Perspectives:**
The exposure to industry experts and the chance to ask questions provided valuable career insights. Many students expressed interest in pursuing further studies and careers in finance, banking, or economics after the tour.
- 4. Increased Awareness of Industry Practices and Regulations:**
Students developed a greater awareness of the legal, ethical, and regulatory frameworks that govern financial markets and banking operations in India.

Conclusion

The educational tour to the Bombay Stock Exchange (BSE) and the Reserve Bank of India (RBI) on 25th October 2023 was an enriching experience for the students of Poona College of Arts, Science, and Commerce. It helped them connect their academic learning with real-world financial operations and provided them with a deeper understanding of the working of key financial institutions in India. The tour not only expanded their knowledge but also motivated many students to explore careers in finance and banking.

The successful coordination of the tour by Dr. Deepika Kininge and Aqueel Bajajwala, under the guidance of Principal Dr. Afiaz Anwar and Vice Principal, ensured that the students had a memorable and informative experience. The tour was an excellent initiative that contributed significantly to the overall educational development of the students.

The department of BBA continues to focus on such educational tours, as they offer valuable exposure and practical knowledge to students that is critical for their academic and professional growth.

REPORT OF BUSINESS IDEA COMPETITION

The Intercollegiate Business Idea Competition was held on 21st September 2023 at Poona College of Arts, Science, and Commerce as part of the Mission Entrepreneurs initiative by the Department of BBA. The event aimed to provide students with an opportunity to showcase their creativity and entrepreneurial skills by presenting innovative business ideas. The competition was coordinated by Dr. Deepika Kininge and conducted under the guidance of Principal Dr. Aftab Anwar and Vice Principal of the college.

The competition was organized to nurture the entrepreneurial spirit among students, helping them develop a deeper understanding of the business world while encouraging them to think critically and come up with feasible solutions for real-world problems.

Objectives

The main objectives of the event were:

1. **To foster an entrepreneurial mindset:** Encouraging students to think innovatively and approach business challenges creatively.
2. **To enhance business acumen:** Providing students with the platform to apply theoretical knowledge to practical business ideas.
3. **To promote critical thinking:** Encouraging participants to analyze business problems, identify opportunities, and propose solutions.
4. **To enhance teamwork and presentation skills:** Encouraging collaboration among participants and improving their ability to present ideas effectively.
5. **To engage students in the spirit of competition:** Providing a competitive environment where students could push their limits and achieve excellence.

Structure of the Session

The event was divided into various stages to ensure smooth execution and to give participants ample time to present their ideas.

1. **Inaugural Ceremony:** The event began at 11:00 AM with the opening address by Principal Dr. Aftab Anwar, who welcomed the participants and emphasized the importance of entrepreneurship in today's world. This was followed by a motivational speech from Dr. Deepika Kininge, who explained the competition's structure and the significance of showcasing business ideas.

2. **Business Idea Presentation:** Participants were given the stage to present their business ideas. Each participant or team had 10 minutes to present their ideas, followed by a 5-minute question-and-answer session with the panel of judges. The business ideas were evaluated based on innovation, feasibility, market potential, and impact.
3. **Judging Panel:** The panel comprised industry experts, faculty members, and successful entrepreneurs. The judges evaluated the ideas critically based on predefined criteria including originality, practicality, scalability, and presentation skills.
4. **Feedback Session:** After the presentations, each team received feedback from the judges, allowing them to improve their ideas further. This provided valuable insights for future business ventures and was a great learning experience.
5. **Award Distribution:** The session concluded with the announcement of the winners, followed by the distribution of certificates and trophies. The top teams were recognized for their innovative and impactful business ideas.

Implementation of the Session

The event was meticulously planned and executed to ensure a smooth flow. The Department of BBA, led by Dr. Deepika Kininge, worked collaboratively to manage the registration, coordination, and smooth execution of the event. The following implementation strategies were followed:

- **Pre-event Preparation:** The event was publicized well in advance through social media, college notice boards, and word-of-mouth, ensuring maximum participation from students across various colleges. A clear set of guidelines and rules were shared with all the participants.
- **Effective Coordination:** Dr. Deepika Kininge, along with her team, took charge of the event's logistics, ensuring that the schedule was followed, participants were well-informed, and any issues were resolved promptly.
- **Technical Setup:** The technical team ensured that all necessary equipment, such as microphones, projectors, and presentation screens, were ready for use, allowing for seamless presentations.
- **Judging and Evaluation:** The panel of judges was briefed beforehand, and a set of evaluation criteria was established. The judges carefully assessed each presentation and provided constructive feedback.

Outcomes

The event proved to be a great success with several positive outcomes:

1. **Increased Entrepreneurial Awareness:** The competition allowed students to understand what it takes to create a successful business idea, bridging the gap between theoretical knowledge and practical application.
2. **Skill Development:** Participants developed essential skills such as business idea formulation, pitching, teamwork, public speaking, and problem-solving.
3. **Exposure to Industry Insights:** Students had the opportunity to interact with

experienced entrepreneurs and industry professionals, gaining insights into the realities of business and entrepreneurship.

4. **Recognition and Motivation:** The winners were recognized for their creativity and hard work, motivating them to continue exploring entrepreneurial ventures. Even those who did not win took away valuable feedback that could help them improve their ideas for future opportunities.
5. **Networking:** The event facilitated networking among students, faculty, and industry professionals, allowing everyone to exchange ideas, experiences, and perspectives.

Conclusion

The Intercollegiate Business Idea Competition under Mission Entrepreneurs was a highly successful and enriching experience for all involved. It not only encouraged students to think creatively but also provided them with a platform to present their business ideas, receive expert feedback, and grow their entrepreneurial skills. With the successful coordination of Dr. Deepika Kininge and the support of Principal Dr. Aftab Anwar and the Vice Principal, the event created an atmosphere of learning, innovation, and healthy competition. The outcomes of this event will undoubtedly inspire more students to take an active interest in entrepreneurship and pursue their business ideas with confidence and knowledge.

The event has set a benchmark for future editions of the competition and has contributed significantly to the college's mission of fostering entrepreneurial talent among students.
