Subject: Workshop for Syllabus Revision and the Drafting of the M Sc II syllabus.

Dear Sir/Madam,

The New Education Policy has brought us with an opportunity to revise the syllabus and make it more stringent and effective following the norms of NEP 2020. You are well aware, about the preparations of the structure and syllabus during past several exercises, discussions and meetings time and again and as per the directives of Dean. However It is now time to see the entire syllabus in holistic and integrated manner (B Sc + M Sc) for several reasons including the acquaintance of PG and UG teaching, removal of redundancy and discussions and decision on several components including OJT and IKS. Since we have already adopted the NEP structure, it is urgent to meet and clarify several of these aspects. Therefore I would like to invite a meeting/workshop on 15th and 16th February at Department of Geology, Savitribai Phule Pune University, Pune 411 007 to brainstorm the above aspects and any other related issues. Since the time is too short for such a large exercise, a groundwork by subject teachers will be greatly helpful in focusing on the main issues like structure, contents and evaluation system. I have requested Dr Ashwini Supekar to Coordinate the program.

TA/DA will be provided as per the rules. Outstation faculty needing Guest house Accommodation may please contact me or Dr Ashwini Supekar.
