## Annual Sports Day 2023-24

Annual Sports Day is celebrated with great enthusiasm in Poona College

Annual Sports Day was celebrated with great enthusiasm at Poona College in association with FIT India Club and Youth Services District Sports Officer Office of Maharashtra State Pune and Poona College of Arts Science and Commerce.

According to the orders of University Grants Commission, Ministry of Education, Government of India, various activities and sports competitions were organized in Poona College on the occasion of Annual Sports Day from 13<sup>th</sup> to 14<sup>th</sup> January. Students participated in large numbers.

The Annual Sports Day Competition 2023-24 was held from 13<sup>th</sup> to 14<sup>th</sup> January, 2024, and was a remarkable showcase of athletic talent and community spirit. The event commenced with an opening ceremony on January 13<sup>th</sup> at 10:00 a.m. at the College Ground, where all committee members welcomed participants and outlined the schedule.

The first day featured Table Tennis tournaments at the Indoor Sports Arena, managed by Dr. Kalim Shaikh and Mr. Farooq Shaikh

## DETAILED REPORT

### Department of Chemistry, Poona College Chemistry Week Report: September 25<sup>th</sup> - September 30<sup>th</sup> Celebrating the Wonders of Chemistry

The Department of Chemistry at Poona College proudly organized a week-long celebration of Chemistry from September 25<sup>th</sup> to September 30<sup>th</sup>. This event aimed to promote the fascination and importance of chemistry in our daily lives while fostering a sense of community and engagement among students and faculty.

#### Day 1: Inauguration and Poster Competition

The Chemistry Week commenced with a grand inauguration ceremony graced by our esteemed Chief Guest, Dr. Aftab Anwar Shaikh, the Principal of Poona College, and Dr. Iqbal Shaikh, Head of the Department of Chemistry. The event began with the recitation of verses from the Quran by Swaleha Shaikh, setting a thoughtful and reverent tone. Judges for the poster competition, Dr. Zamir Ahmed, and Dr. Faazil Shaikh were felicitated for their valuable contribution. The poster competition saw enthusiastic participation from 22 students who showcased their creative and scientific talents.

#### Day 2: Fun Activities

Day 2 was all about fun and camaraderie with 35 students participating in activities like Chinese whisper, Chem Sheraz, and balloon games. Students were treated to chocolates and pens as tokens of appreciation for their active involvement in the activities.

#### Day 3: Lab Safety Awareness Talk

Mrs. Rima Bharadwaj, (Research Scholar), addressed the importance of lab safety. As a safety measure, gloves were distributed to all attendees to reinforce the significance of safety precautions in laboratory work.

#### Day 4: Chemistry in Daily Life Experiments

Anjuman Khairul Islam's

(AFFILIATED TO SAVITRIBAI PHULE PUNE UNIVERSITY)

Students were exposed to the practical side of chemistry through experiments related to its applications in daily life. Judges for the day, Dr. Avinash Singh (Department of Chemistry), and Dr. F.MD. Attar (Department of Physics), evaluated the experiments and provided valuable feedback to the participants.

## Day 5: Career Guidance and Cultural Event

Dr. Ayesha Khan, a renowned faculty member from SPPU, delivered an enlightening talk on career opportunities in the field of chemistry. The day also featured a cultural event, including a play titled "Chemistry behind Superstition," highlighting the role of science in dispelling myths and superstitions.

## Prize Distribution

The grand finale of Chemistry Week witnessed the distribution of trophies and certificates to the top three students in the Chemistry Bridge Course, Poster Competition, and Chemistry in Daily Life Experiments. Certificates of participation were distributed to all students who actively participated in the various activities throughout the week.

The Chemistry Week organized by the Department of Chemistry at Poona College was a resounding success in promoting the wonders of chemistry, fostering a spirit of scientific inquiry, and providing valuable insights into the field's practical applications. The engaging activities, insightful talks, and spirited participation from students and faculty alike made this event a memorable and educational experience. It reaffirmed the department's commitment to nurturing young minds and instilling a passion for chemistry in our students.

## Detailed Report

### Celebration of Science Day at Department of Botany, SPPU.

**28/02/2024:** On the occasion of Science Day, B.Sc Botany students visited the Celebrations at Department of Botany, Savitribai Phule Pune University (SPPU). The event was organized to celebrate the contributions of science to society, showcase research and innovations in Botany, and inspire the next generation of students.

The objective of visit was to gain insights into the latest research and developments in the field of Botany, observe and learn from the various exhibits and presentations related to Botanical science and experience a scientific event that highlights the importance of Botany in environmental conservation and sustainability.

The main highlight of the event was the exhibition showcasing various research projects and innovations in Botany featuring Research Posters: presentations on topics such as plant genetics, medicinal plants, and ecological conservation and Specimen Displays: Collections of medicinal plant specimens, including rare and endangered species, accompanied by informative labels and their uses.

A section devoted to millets was the centre of attraction. Here, students tried their hands at cake making using millet flour. They enjoyed the hands-on experience. A sale counter for processed products of all kinds of millets was equally attractive. Students were fascinated with the different kinds of products of millets! Many of them bought these products at reasonable rates.

Students availed this opportunity to explore the Botanical Garden at Department of Botany, SPPU. The garden has a collection of several native medicinal plants with informative labels. Students made a list of these amazing plants which have got acclimatized from various geographical regions and grown in the garden successfully.

The visit provided valuable insights into cutting-edge research in botany. The experience was both educational and inspiring. It reaffirmed the importance of scientific inquiry and its impact on addressing global challenges. Students left the event with a greater appreciation for the field of Botany and a motivation to further explore scientific careers.

12 students celebrated Science Day with great fervor at Department of Botany, SPPU, under the supervision of Dr. Aafreen A. Ahmed, Assistant Professor, Poona College.

## Detail Report

### International Mathematics Day Celebration -2024

Department of Mathematics, statistics in association with IQAC has celebrated **International Mathematics Day (Pi Day) on 14th March 2024**. On this occasion, the department organized the Intercollegiate Quiz and seminar Competitions and also organized a Guest lecture on the topic “Maryam Mirzakhani: A Traiblaizer Mathematics Genius”. The Guest lecture was delivered by Dr. Ganesh Kadu, Dept. of Mathematics, SPPU, Pune.

The Competition marked a celebration of intellectual mastery and mathematical excellence. The event brought together enthusiastic participants from various colleges, like Nowrosjee Wadia College, Fergusson College, SM Joshi College, MIT-ADT University creating an environment of healthy competition. A total of 62 participants have participated in quiz and seminar competitions of which 28 participants were from outside colleges.

The competition kicked off with an energizing quiz, testing participants' mathematical sharpness and problem-solving skills. The event provided a platform for students to showcase their academic talents, fostered a sense of community among participants, and promoted interdisciplinary collaboration. Participants gained valuable insights into diverse mathematical concepts, and refined their presentation skills.

This event was coordinated by Dr. Amjad Shaikh, Mrs. Munzarin Sajjan and Mr. Mubeen Ansari.

We thank to respected Principal Dr. aftab anwar Shaikh sir and Dr. Iqbal Shaikh sir for guidance, motivation, and standing as pillars of strength.

**Subject: Permission to celebrate "International Mathematics Day" (Pi Day) on 14<sup>th</sup> March 2024.**

Respected Sir,

Department of Mathematics wish to celebrate "International Mathematics Day" (Pi Day) on 14<sup>th</sup> March 2024. The objective to celebrate the "International Mathematics Day" (Pi Day) is to raise awareness about the importance of mathematics and its role in shaping our world, as well as to promote the beauty and relevance of mathematics to students. On this day we will be planning to organize quiz competition, seminar competition and Guest lecture. Kindly grant the permission for the same.

**Coordinators:**

1. Guest Lecture: Dr. Amjad Shaikh (H.O.D)
2. Quiz Competition: Mrs. Munzarin Sajjan
3. Seminar Competition: Mr. Mubeen Ansari

Thanking You.

## DETAILED REPORT

On 28<sup>th</sup> February, 2024, the club members of Linus Pauling Club, Poona College had the privilege to visit a captivating science exhibition held at IUCAA. Organized by IUCAA on the occasion of National Science Day, the exhibition aimed to showcase the latest advancements and discoveries across various scientific disciplines.

Located inside the sprawling campus of S.P. Pune University of Pune, IUCAA stands as a beacon of excellence in the realm of astronomical studies. With its state-of-the-art facilities and renowned researchers, IUCAA has been at the forefront of unraveling the mysteries of the universe for decades.

The grounds of IUCAA, was overflowing with excited young students. Scientists and students bustled about, their eyes alight with passion as they engaged in discussions about galaxies, Aditya launch, black holes, gravitational waves and the very fabric of space-time itself.

The students were mesmerized where with the help of a Foucault pendulum, it was demonstrated to the students the rotation of Earth. There was a miniature replica of the sundial in Jaipur where we could calculate the local time within an error of 15 minutes.

But perhaps the most enlightening part of the visit was the opportunity to engage with the brilliant minds behind IUCAA's research endeavors. The students gained a newfound appreciation for the complexity and beauty of the universe we inhabit. Whether it was delving into the mysteries of dark matter or pondering the origins of the universe itself, every conversation left me feeling inspired and humbled by the vastness of human knowledge.
