A special winter 7-day NSS camp was organized at Kanhe village, Taluka Maval, District Pune, from 8th January to 14th January 2014. The camp aimed to promote social welfare and community development.

Activities included free haemoglobin check-ups and blood pressure checks for 100 girls from Shri Chhatrapati Shivaji Vidyamandir and Junior College in Kanhe village. A river cleanliness drive was conducted, along with a blood donation camp and fruit tree plantation.

The camp also focused on raising awareness about population control, various government schemes like Pradhan Mantri Jan Dhan Yojana and Ujjwala Yojana, and voter awareness. Participants were educated about solar energy and the harmful effects of plastic usage.

A Sankranti Mahotsav was organized for village women, featuring traditional dress and Rangoli competitions, and the 'home minister' game. Various lectures were conducted for NSS volunteers during the camp. Dr. Zoheb Hasan spoke on the topic of Shri Chhatrapati Shivaji Maharaj, enlightening the volunteers about his life and principles. Dr. Mohsin Shaikh discussed water and soil testing, emphasizing environmental conservation. Dr. Shakir Shaikh shared insights on youth empowerment for village development. Dr. Malika Mistry addressed women's empowerment issues. Principal Prof. Dr. Aftab Anwar Shaikh provided special guidance on the role of NSS volunteers in society, inspiring them to contribute meaningfully. These lectures enriched the volunteers' knowledge and motivated them to make a positive impact in their communities.

The camp was organized with the aim of instilling discipline, physical and emotional strength, patriotism, and a deep understanding of the various problems faced by the masses among the students. It sought to mould them into responsible and compassionate citizens, ready to contribute positively to the country's development. Through a range of activities and lectures, the camp emphasized the importance of service, empathy, and civic duty, nurturing qualities essential for a well-rounded individual and a good citizen.

Overall, the camp was a success, promoting community engagement and awareness on various social issues.

प्रिंसिपल डॉ. आफताब अनवर शेख के कुशल मार्गदर्शन में पुना कॉलेज के NSS का शिविर संपन्न

पुणे (महाज़ प्रतिनीधी): आदरणीय प्राचार्य डॉ. आफताब अनवर शेख के कुशल मार्गदर्शन में पुना कॉलेज की एनएसएस इकाई द्वारा 8 जनवरी, 2024 से 14 जनवरी, 2024 तक कान्हे में एक सप्ताह का एनएसएस शिविर आयोजित किया गया। शिविर की स्वस्थ शुरुआत हुई, पहले दिन 8 जनवरी, 2024 को शिविर का उद्घाटन सरपंच श्री विजय सत्कार और ग्राम सेवक श्री एस.एन.शिंदे ने किया। एनएसएस कार्यक्रम अधिकारी डॉ. अकबर सैय्यद ने गांव के सरपंच, उपस्थित संकाय सदस्यों और भाग लेने वाले एनएसएस स्वयंसेवकों का स्वागत किया। शिविर का दूसरा दिन सुबह जल्दी शुरू हुआ। दूसरे दिन 9 जनवरी, 2024 को एनएसएस स्वयंसेवकों द्वारा स्वच्छता अभियान चलाया गया, जहां स्वयंसेवकों ने घर-घर जाकर ग्रामीणों को आसपास को साफ रखने के महत्व के बारे में जागरूक किया। इस दिन मुफ्त हेमोग्लोबिन और रक्तचाप की जांच भी हुई। श्री छत्रपति शिवाजी विद्या मंदिर एवं जूनियर कॉलेज, कान्हे के स्टाफ सदस्यों एवं छात्राओं का चेकअप किया गया। 100 से अधिक हाई स्कूल की लड़कियों और स्टाफ सदस्यों ने निरुशुल्क जांच कराई। बाजार में इस परीक्षण की कीमत लगभग 200 रुपये थी, लेकिन छात्रों को यह निरुशुल्क दिया गया, जिससे अधिक संख्या में छात्र और कर्मचारी इसका लाभ उठाने के लिए आकर्षित हुए। हेड मिस्ट्रेस श्रीमती चव्हाण ने हीमोग्लोबिन शिविर को सुचारु रूप से संचालित करने में एनएसएस स्वयंसेवकों की मदद की।

The poster competition "Your Vote, Your Voice" was organized by NSS UNIT with the aim of promoting civic engagement and voter awareness among the community. The competition invited participants to create posters that emphasized the importance of voting and encouraged citizens to exercise their right to vote. The primary objective of the competition was to raise awareness about the significance of voting in a democratic society and to encourage voter participation, especially among young adults and first-time voters.

The competition attracted a diverse range of participants from different age groups, backgrounds, and artistic abilities. Entries were open to individuals, schools, colleges, and community groups. The judging criteria for the competition included creativity, originality, relevance to the theme, clarity of message, and overall impact. Each poster was evaluated based on its ability to effectively communicate the importance of voting and inspire action.

Participants were required to submit their poster designs within a specified timeframe. The judges carefully assessed each entry and shortlisted the top contenders based on the established criteria. After thorough evaluation, the judges selected the winners of the competition. The winning entries were chosen for their compelling visuals, powerful messaging, and ability to effectively convey the theme of "Your Vote, Your Voice." The winners were announced at a special ceremony attended by participants, organizers, and other stakeholders.

The poster competition had a significant impact on raising awareness about the importance of voting within the community. Through creative and thought-provoking designs, the competition succeeded in engaging citizens and sparking conversations about civic responsibility. The posters served as powerful tools for advocacy and mobilization, encouraging individuals to take action and participate in the democratic process.

Thus, the "Your Vote, Your Voice" poster competition proved to be a resounding success in promoting voter awareness and civic engagement. By harnessing the power of art and creativity, the competition effectively conveyed the message that every vote counts and that citizens have the power to shape the future through their participation in the electoral process. Moving forward, it is essential to build on the momentum generated by the competition and continue efforts to empower individuals to exercise their right to vote.

Detailed Report

16/02/2024: The homeless street children face challenges each day and lead a very harsh life. They are often subject to abuse, neglect, exploitation or lured into illegal activities. Several NGOs are coming forward to uplift these underprivileged children. One such NGO in Pune, is Dadanchi Shala, focusing on educating the street children who are entangled into the begging racket especially at signals.

Department of Botany, Poona College of Arts, Science & Commerce, lent a helping hand to this NGO. The staff and students collected funds and bought stationary that included notebooks, pencils, pens, erasers, compass boxes, colour paints, crayons, etc.

On the 16th of February, 2024, under the supervision of Dr. Aafreen A. Ahmed and Miss Nabila Shaikh, T.Y. B.Sc Botany students visited the Balasaheb Thakre Kaladalan, where the NGO had their Annual Gathering. We got a glimpse of the activities conducted by the NGO to engage the beggars on street, educate them and sensitize them on cleanliness, importance of education and a better life.

The founders were happy to receive the donation. They took us around the Art Gallery showcasing students' activities, their art work, thus encouraging them. This visit was a part of Extension activity for students of Poona College, to instil in them empathy towards the underprivileged. Seven students visited the place and interacted with volunteers of the NGO and offered to help in their cause in whatever way possible after graduation.

DESCRIPTIVE REPORT

"Meri Mati Mera Desh" (My Soil, My Country) programme was conducted in the College Garden on 13th August, 2024 from 10.00 am to 5.00 pm. It is a comprehensive nationwide campaign that encapsulates the essence of environmental stewardship and national pride in India. Initiated by the government in collaboration with various non-governmental organizations (NGOs), environmental groups, and grassroots movements, this campaign aims to foster a deep-seated connection between the citizens and the land they inhabit. At its core, "Meri Mati Mera Desh" seeks to raise awareness about the critical importance of preserving and nurturing the environment for the well-being of the nation as a whole. It emphasizes that the soil, water, air, and natural resources are not just commodities but integral components of India's identity and sustenance. Through a series of initiatives, campaigns, and educational programs, the campaign strives to instill a sense of responsibility and ownership among the populace towards their surroundings.

One of the primary focuses of the campaign is tree plantation drives. Recognizing the pivotal role of trees in combating climate change, preventing soil erosion, and enhancing biodiversity, "Meri Mati Mera Desh" encourages widespread participation in afforestation efforts. These initiatives are not only aimed at increasing green cover but also at restoring degraded ecosystems and promoting sustainable land management practices. Our college had done tree plantation at the hands of Mrs Chanda Dangi who is a social activist working for plastic free environment and in its campus. Total 17 students along with college authorities and faculty members participated in the Tree Plantation Programme.

In addition to tree plantation drives, the campaign also addresses various other environmental issues such as waste management, pollution control, and water conservation. Through community-led clean-up activities, recycling drives, and awareness campaigns, "Meri Mati Mera Desh" aims to reduce pollution levels and promote a culture of sustainability and cleanliness.

Furthermore, the campaign leverages technology and social media platforms to reach a wider audience and mobilize collective action. Online campaigns, mobile apps and social media challenges encourage individuals to pledge their commitment to environmental conservation and share their efforts with others, thereby creating a ripple effect of positive action.

Overall, "Meri Mati Mera Desh" serves as a rallying cry for every citizen to take pride in their land and contribute towards its preservation and prosperity. By fostering a deeper connection with the environment and promoting sustainable practices, the campaign aspires to create a greener, cleaner, and more resilient India for future generations to inherit.
